Churchyards and burial grounds

20. Use of certain churchyards and burial grounds

(1) Subject to the following provisions of this section, a pastoral scheme may provide for —

- (a) the appropriation of the whole or any part of a churchyard or other land annexed or belonging to a church to such use or uses as may be specified or generally described in the scheme, and
- (b) the disposal of any such property for any such use or uses or without limitation of use.

(2) Subsection (1) does not apply to a churchyard or other land annexed or belonging to a church to which a declaration of closure for regular public worship relates unless the scheme by which provision was made for the use, the care and maintenance, the vesting in the Board or the demolition of the church contained no provision for dealing with the land which is to be the subject of the proposed scheme.

(3) In the case of a churchyard or other land annexed or belonging to a church or a burial ground adjacent to a church, the pastoral scheme must make such provision as appears to the Bishop and the Commissioners to be —

- (a) desirable for safeguarding the use and amenities of the church, or
- (b) necessary for preserving a right of access to any grave in that land or burial ground.

(4) Any scheme providing for the matters referred to in this section may also make provision for —

- (a) the vesting of the property, and
- (b) applying in relation to it, with such modifications as may be specified in the scheme, any of the provisions of Schedule 3 relating to —
 - (i) the appropriation, disposal and vesting of property, rights of way and other easements,
 - (ii) the removal of the legal effects of consecration, and
 - (iii) the imposing of covenants,

and where the scheme makes any such provision, section 21 and Schedule 4 apply to the property.

(5) In this section "burial ground" means any land set apart and consecrated for the purpose of burials, whether or not burials have taken place in the land.

21. Disposal of human remains

(1) Where any human remains are believed to be buried in or beneath a building closed for regular public worship or in any land to which a disposal scheme applies, the body or person in whom the property is vested or to whom it is leased or licensed shall not, subject to this section, demolish, sell, lease or otherwise dispose of it or any part of it, or use it or any part of it, or carry out any development of it or any part of it, unless—

- (a) as respects the human remains, either —
 - (i) the Department of Environment, Food and Agriculture has made an order under subsection (4) in relation to such demolition, use or development, or
 - (ii) the remains have been removed and reinterred or cremated in accordance with Schedule 4; and
- (b) any tombstones, monuments or memorials commemorating the deceased persons have been disposed of in accordance with those provisions,

and (in either case) the other requirements of that Schedule have been complied with.

(2) The requirements of subsection (1) and Schedule 4 do not apply—

(a) to a building closed for regular public worship the whole of which is to be used, without any structural alteration, —

- (i) as a place of religious worship for a university, college, school or other institution,
- (ii) as a private chapel or monument, or for religious worship by a Church other than the Church of England,

so long as the whole of it continues to be so used without any structural alteration involving the disturbance of human remains or the removal of any tombstones, monuments or memorials commemorating deceased persons;

(b) to any land which remains annexed or belonging to a building closed for regular public worship used as mentioned in paragraph (a);

(c) to any land which is to be used as part of a churchyard or burial ground and is vested under paragraph 10 of Schedule 3 in the person in whom the churchyard or burial ground is vested;

(d) to any land which is to be used as part of a burial ground and has been conveyed to a burial authority constituted by or under an enactment.

(3) Subsection (4) applies where it appears to the Department of Environment, Food and Agriculture that —

(a) the demolition of a building closed for regular public worship or part of it, or

(b) the intended use or development of any property to which a disposal scheme applies or any part of such property,

will not involve the disturbance of human remains.

(4) That Department may, after consultation with the Bishop and the Commonwealth War Graves Commission, by order provide for dispensing with the requirements (so far as they concern human remains) of subsection (1) and Schedule 4 in relation to —

(a) the demolition of the building or part of it, or

(b) such use or development of the property or part, as may be prescribed by or under the order, subject to such conditions, restrictions, and requirements as may be so prescribed, and

(c) in relation to any sale, lease or other disposal of the property for the purpose of such use or development.

(5) Any order under sub-paragraph (4) may be amended or revoked by a subsequent order made in like manner and subject to the like conditions, and, if at any time the requirements of subsection (1) and Schedule 4 are complied with in respect of the property, the order shall cease to have effect.

(6) Where, by virtue of any such order, human remains are not removed and reinterred or cremated, the requirements of subsection (1) and Schedule 4, so far as they relate to the disposal of tombstones, monuments and memorials, shall nonetheless apply.

(7) Where there is situated in any building or part of a building closed for regular public worship or any land to which a disposal scheme applies any monument or memorial commemorating a deceased person whose remains are not buried in the building or part of it or land, the body or person in whom the building or part or land is vested or to whom it is leased or licensed shall not demolish, sell, lease or otherwise dispose of it or use it for any use or carry out any development of it, unless —

(a) the monument or memorial has been disposed of in such manner as the Bishop after consultation with the advisory committee has directed, or

(b) the Bishop has after such consultation dispensed with this requirement.

(8) No faculty shall be required for anything done in pursuance of this section or Schedule 4.

(9) In this section any reference to a disposal scheme includes a reference to the provisions of a pastoral scheme providing for the matters referred to in section 20 or paragraph 1 or 2 of Schedule 3.

22. Parsonage houses

(1) A pastoral scheme may provide for any of the following matters—

(i) the incumbent of any benefice created or affected by the scheme, or

(ii) the incumbent of any benefices to be held in plurality, by or by virtue of the scheme;

(b) the designation of any house as the place of residence of any vicar in a team ministry established for the area of any benefice by or by virtue of the scheme; ...

- (e) the transfer of a parsonage house, part of a parsonage house or any parsonage land to the Board for the purposes of its functions under the Ecclesiastical Offices (Terms of Service) Measure 2009.]
- (2) The power under subsection (1)(a) or (b) to designate a house as the place of residence of an incumbent or a vicar in a team ministry is without prejudice to —

Patronage

23. Patronage

- (1) A pastoral scheme may, with the consent of —
- (a) the patron or patrons concerned, and
- (b) the person to whom the rights of patronage are to be transferred,
- provide for the exchange or transfer of rights of patronage of any benefice or church, whether or not that benefice or church is otherwise affected by the scheme.
- (2) A pastoral scheme creating any new benefice may provide for vesting the patronage of the benefice in a patron or patrons and, where necessary, for determining the manner in which the rights of patronage are to be exercised.
- (3) Without prejudice to the generality of subsections (1) and (2), a pastoral scheme (whether it relates only to an existing benefice or provides for the creation of a new benefice) may, with the consent of the patron or patrons of any benefice affected by the scheme, provide for the transfer of existing rights of patronage to, or for the vesting of new rights of patronage in, a patronage board constituted by the scheme.
- (4) A pastoral scheme providing for the holding of 2 or more benefices in plurality may provide for the exercise of the rights of patronage of those benefices, including their

exercise on a renewal of the provision for plurality.

(5) Where any benefice is dissolved by a pastoral scheme, or a chapel of ease becomes a parish church by virtue of a pastoral scheme, the rights of patronage of the benefice and any rights of patronage of the chapel of ease shall cease to exist.

(6) In the exercise of the powers conferred by this section and paragraph 5 of Schedule 1, regard shall be had to the interests of persons whose rights of patronage cease to exist by virtue of a pastoral scheme and to the interests of patrons of benefices to be held in plurality, but it shall not be necessary for the scheme to provide, in cases where there are pastoral or practical objections, for conferring new patronage rights on all or any of those persons or sharing the exercise of the patronage rights of the benefices to be held in plurality among the patrons of those benefices or all of them.

(7) Any provision with respect to rights of patronage made by or by virtue of this section shall have effect subject to any provisions made by virtue of section 14 with respect to the incumbents and vacancies mentioned in it.

(8) A pastoral scheme providing for the vesting or exercise of rights of patronage under subsection (2) or (5) may also, in appropriate cases, provide for applying to those rights any trusts formerly applicable to rights extinguished or altered by or by virtue of the scheme.

(9) Nothing in the provisions of this section affects the provisions of sections 9(8) and 11(5) and paragraphs 1, 4 and 5 of Schedule 1, and accordingly any rights of patronage exchanged or transferred or created by or under this section shall, on the establishment of a team or group ministry for the benefices concerned, have effect subject to those provisions.

Endowments, income etc.

24. Endowments, income, etc.

(1) A pastoral scheme may provide, on such terms and conditions as may be specified, that the whole of the income of the endowments of a benefice, or a specified annual amount of it, or the excess over a specified amount of it, shall be paid to the income account of the diocesan stipends fund.

For the purposes of this subsection, 2 or more benefices which are held in plurality or are to be held in plurality by virtue of the scheme may be treated as if —

- (a) they constituted one benefice, and

- (b) the aggregate of the income of their endowments were the income of the endowments of that one benefice.
- (2) The powers conferred by subsection (1) shall only be exercised with respect to the income of the endowments of any benefice (not being a benefice which ceases to exist by virtue of the scheme) in the following cases—
- (a) where the provision is to take effect during a vacancy or on the occurrence of a vacancy in the benefice;
- (b) where the incumbent of the benefice consents; or
- (c) where the benefice is to be held in plurality and the provision will only operate during the continuance of the plurality.
- (3) Any provision made under subsection (1) may be revoked, or may be varied so as to reduce the amount of the income payable under that subsection, by the Commissioners with the consent of the Bishop and the Board.
- (4) Subsection (5) applies where —
- (a) a benefice is dissolved by a pastoral scheme in consequence of a union of benefices, and
- (b) the Board holds —
- (i) money for expenditure on capital purposes in connection with a parsonage house for the benefice or
- (ii) money arising from or in connection with the disposal of a parsonage house of the benefice.
- (5) Paragraph 1 of Schedule 1 to the Ecclesiastical Offices (Terms of Service) Measure 2009 applies to all such money as it applies to money arising from the sale of a house of residence under that Schedule, with the modification that references to the benefice for which the money was held or to which the property belonged shall be construed as references to the new benefice created by the union.
- (6) Despite anything in that Schedule, a pastoral scheme may provide that any money arising from any sale or exchange of any part of the property of a benefice specified in the scheme, or so much of that money as may be so specified, shall be—
- (a) held by the Board for the benefit of any other benefice so specified; or
- (b) applied towards the payment of stipends of the clergy of the diocese; or
- (c) paid into the diocesan pastoral account; or
- (d) applied towards the provision, restoration, improvement or repair of —
- (i) a church,

- (iii) a parsonage house, or
- (iv) a house for a vicar in a team ministry, assistant curate or other person holding office under Common Tenure.

Schedule 2 shall have effect with respect to the procedure for making pastoral schemes.

PART 3

MISCELLANEOUS AND GENERAL

Vacancies in benefices

29. Suspension of presentation for up to 5 years

(1) Where a benefice is vacant or is shortly to become vacant, the Bishop may, subject to the following provisions of this Measure, with the

consent of the Commissioners, and after consultation with—

- (a) the patron of the benefice, and
- (b) the parochial church council of the parish or each of the parishes concerned,

give notice that during such period not exceeding 5 years as may be specified in the notice (the "suspension period"), the patron shall not exercise his right of presentation without the consent of the Commissioners and (if he is not the ... patron) of the Bishop; and thereupon that right shall only be exercised in accordance with the notice during the suspension period.

(2) When consulting any person or body in accordance with subsection (1) the Bishop shall inform him or her or it of the reasons why he is considering whether he should exercise the power conferred by this subsection.

(3) The power conferred by subsection (1) may be exercised in relation to a benefice at any time within 3 months before the benefice is due to become vacant or at any time during the vacancy.

(4) Except where any consultation required by subsection (1) takes place at a meeting between the Bishop or his representative and the person or body to be consulted or his or its representative, that person must be advised that he may, within 28 days after receiving a request from the Bishop for his views about the giving of the notice under that subsection, request a meeting with the Bishop or his representative.

(5) Where such a request is made, the Bishop shall convene a meeting which all the persons whom he is required by that subsection to consult shall be invited to attend, either in person or by representatives, for the purposes of enabling those present to consult with the Bishop or his representative about the giving of the notice.

(6) The suspension period shall come to an end before the date on which it would otherwise expire —

- (a) if notice is given by the Bishop that the necessary consent or consents have been given to the exercise of the patron's right of presentation;
- (b) if notice is given by the Bishop with the consent of the Commissioners, terminating the suspension period; or
- (c) if a pastoral scheme provides for the holding of the benefice in plurality with another benefice or other benefices, or
- (d) if a pastoral scheme otherwise affecting the benefice expressly provides for the termination of the period.

(7) The termination shall take effect —

- (a) in the cases mentioned in subsection (6)(a) and (b), on such day, not being less than 14 days after the date of the notice, as may be specified in the notice, and
- (b) in the cases mentioned in subsection (6)(c) and (d), when the relevant provisions of the pastoral scheme come into operation.

(8) The Bishop may, before the expiration of a suspension period, by a further notice given with the same consent and after the same consultation as were required for the original notice given under subsection (1), extend the period for a further period not exceeding 5 years; and that power may be exercised from time to time before the expiration of any extension of a suspension period.

(9) After the expiration of a suspension period, the Bishop may, by a further notice given with the same consent and after the same consultation as were required for the original notice given under subsection (1), declare a new suspension period in relation to the vacancy.

(10) If the Bishop gives a notice under subsection (9), subsections (1), (2), and (4) to (8) apply in relation to any notice given and any suspension period declared under subsection (9) as they apply to a notice given and a suspension period declared under subsection (1).

(11) A notice given by the Bishop under this section must be given to—

- (a) the diocesan registrar,
- (b) the Commissioners,
- (c) the patron of the benefice, unless the only patron is the Bishop,
- (d) the parochial church council of the parish or each of the parishes concerned, and
- (e) the sequestrators;

and a copy of the notice shall be filed in the diocesan registry.

(12) The diocesan registrar must, not earlier than 6 months and not later than 3 months before any suspension period declared under this section is due to expire, other than a suspension period which comes to an end before the date on which it would otherwise expire under subsection (7), give notice to the Bishop and to Commissioners of the date on which the suspension period is due to expire.

(13) The secretary of the parochial church council to which any such notice is given must forthwith cause a copy of it to be affixed at or near to the door of a parish church or, if there is no parish church, of the principal place of worship in the parish.

NOTE S.29: subs.(1): word omitted by Patronage (Amendment) Measure (Isle of Man) 2015 Sch. para.14.

30. Sequestration of profits, appointment of priest in charge and management of property

(1) Where the Bishop has declared a suspension period in respect of any benefice under section 29, he shall during that period sequester the profits of the benefice.

(2) The sequestrators shall, subject to and in accordance with the directions of the Bishop, make provision for the performance during the suspension period of the ecclesiastical duties of the benefice, and before giving any such directions the Bishop shall consult the parochial church council of the parish or each of the parishes concerned and, so far as is reasonably practicable, the patron of the benefice.

(3) Where the Bishop proposes to appoint a priest in charge for any benefice to which a suspension period applies, he shall before making the appointment consult the parochial church council of the parish or each of the parishes concerned and, so far as is reasonably practicable, the patron of the benefice.

(4) Where the Bishop appoints a priest in charge for any benefice to which a suspension period applies, the Bishop may require the priest to reside in the parsonage house of the benefice.

(5) Schedule 5 shall have effect with respect to the management of the benefice property and the application of the profits of the property during any suspension period.

NOTE Provision is also made by the Church Act 1969 s.5 for the appointment of sequestrators during a vacancy.

31. Restrictions on presentation pending the making of pastoral schemes

(1) Where —

(a) any proposals are approved under section 3(1),

(b) the proposals contain recommendations for any of the matters specified in sections 7 to 12, and

(c) any benefice which would be affected if the recommendations were implemented —

(i) is vacant on the date on which the patron of it is sent a copy of the proposals under section 3(3), or

(ii) becomes vacant thereafter,

the patron is not entitled after that date or after the occurrence of the vacancy, as the case may

be, to exercise his right of presentation to the benefice without the consent of the Commissioners and (if he is not the patron) of the Bishop, until the first of the events mentioned in subsection (5) occurs.

(2) Where the Bishop has given directions to the Commissioners under section 5(3) to consider in relation to any benefices any of the matters specified in sections 7 to 12, he may, upon a vacancy or impending vacancy in any of those benefices, notify—

(a) the patron, unless the only patron is the Bishop, and

(b) the parochial church council,

that those matters are being considered, and thereupon the patron shall not be entitled to exercise his right of presentation to that benefice without such consent or consents as are specified in subsection (1); and section 7 of the Patronage (Benefices) Measure 1986 applies subject to the modifications made by section 32.

(3) Subject to subsection (4), a restriction imposed by subsection (2) shall cease to operate at the expiration of one year from the date of the notice.

(4) If within that period proposals are approved under paragraph 3(1) of Schedule 2 containing recommendations for any of the matters specified in subsection (1) or (3) which would affect the benefice concerned, the restriction shall continue until the first of the events mentioned in subsection (5) occurs.

(5) The events referred to in subsections (1) and (4) are —

(a) the relevant recommendations are implemented by a pastoral scheme and come into operation, in which case the right of presentation shall be subject to the provisions of the scheme;

(b) the proposals are withdrawn or the draft scheme prepared in pursuance of them is withdrawn, or the scheme made in pursuance of them is withdrawn or quashed;

(c) the relevant recommendations are omitted from the proposals, draft scheme or scheme; or

(d) the expiry of the period of 3 years from the date referred to in subsection (1)(c)(i) or subsection (3), as the case may be.

(6) Where —

(a) an application is made under paragraph 7(2) of Schedule 2 with respect to a scheme which implements the relevant recommendations, and

- (b) the application has not been determined or withdrawn within the period referred to in paragraph (d) of subsection (5),

that paragraph shall have effect as if that period had been extended to the date on which the application is determined or withdrawn.

(7) The fact that restrictions are in force under this section with respect to any benefice shall not be taken as preventing the Bishop from exercising his powers under sections 29 and 30 with respect to the benefice, and, if he does so, those sections and Schedule 5 shall apply to the benefice instead of this section.

32. Modification of 1986 Measure where presentation is suspended or restricted

(1) The following provisions of this section apply where, in respect of any benefice —

- (a) the Bishop declares a suspension period, or
- (b) any restriction imposed by or under any provision of section 14 or 31 comes into force.

(2) Except as provided in this section, no notice under section 7 of the Patronage (Benefices) Measure 1986 of a vacancy or impending vacancy in that benefice shall be given during the suspension period or while the restriction is in force, as the case may be.

(3) Any such notice relating to that benefice given before the suspension period began or the restriction came into force, as the case may be, shall be treated as having been revoked and any act done under that Measure consequent upon that notice shall be of no effect.

(4) That benefice shall be treated for the purposes of that Measure as becoming vacant immediately after the day on which the suspension period comes to an end or the restriction ceases to be in force, as the case may be, but if a further suspension period is declared, the benefice shall no longer be treated as vacant.

(5) As soon as practicable after he becomes aware of the vacancy, the Bishop shall give notice of that fact to the diocesan registrar, and section 7(4) of that Measure shall apply as it applies to a notice under section 7(1) or (2), except that —

- (a) if the suspension period will come to an end as a result of a notice given by the Bishop under section 29(6), the notice referred to in this section may be given by the Bishop at the same time as the notice under section 29(6); and
- (b) in any other case the notice may be given not more than 14 days before the suspension period will end or the

restriction will cease to be in force, as the case may be.

33. Suspension of new rights of patronage

Where —

- (a) any proposals approved under section 3(1) contain recommendations for the creation of a new benefice for a new parish, and
- (b) any church in the area which is to form the new parish is consecrated after the proposals are so approved but before any of the events mentioned in section 31(5) have occurred in relation to those recommendations,

no person shall become the patron of that church by virtue of any rule of law or any provision of or instrument under any Act or Measure other than this Measure during the period between the approval of the recommendations and such one of those events as first occurs.

34. Trusteeship of certain charities during vacancy or suspension

(1) Where —

- (a) any property of a charity established for ecclesiastical purposes of the Church of England is vested in or under the management or control of the incumbent of a benefice (with or without other persons) or a corporation of which the incumbent of a benefice is a member, and
- (b) the benefice becomes vacant or the Bishop declares a suspension period in respect of the benefice,

during the period of the vacancy or the suspension period, as the case may be, the trusts of the charity or the constitution of the corporation has effect with the substitution for the incumbent of that benefice of the priest in charge of that benefice.

(2) Subsection (1) does not apply to any fund or property for which provision is made under paragraph 17 of Schedule 3.

Financial provisions

35. Pastoral account

(1) The Board shall hold an account to be called the diocesan pastoral account and shall transfer to the account—

- (a) any money which is payable to the account under any provisions of this Measure or any scheme made under it;
- (b) such other money as the Board determine should be credited to the account, not being money for the application or disposal of which provision is made by or under any other statutory provision.

- (2) The Board must —
- (a) as soon as practicable after the end of each financial year of the Board prepare an account of the money paid into or out of the diocesan pastoral account during that year;
- (b) include in it a statement of the amount by which the diocesan pastoral account was in debit or credit, as the case may be, at the beginning and end of that year; and
- (c) lay a copy of the account before the Diocesan Synod.

36. Payment of expenses from diocesan pastoral account and application of money

- (1) Expenses incurred by or on behalf of, or under the authority or direction of, the Bishop or the Commissioners for the purposes of this Measure or any scheme made must be paid out of the money standing to the credit of the diocesan pastoral account so far as that money suffices, but any such expenses may not include the salaries or wages of persons in the regular employment of the Bishop, any board or committee of the diocese, or the Commissioners, or any part of any such salaries or wages.
- (2) The Board shall be entitled to be repaid out of the diocesan pastoral account any money expended by the Board on any property vested by or under this Measure in the Board for the purpose of furthering the disposal or use of the property.
- (3) Where the Board is satisfied that any money standing to the credit of the diocesan pastoral account is not required or likely to be required for meeting the expenses or expenditure referred to in this section, it may—
- (a) apply that money by way of grant or loan to the provision, restoration, improvement or repair of churches and parsonage houses in the diocese, including the repair of any building closed for regular public worship vested in the Board pending the coming into operation of arrangements under a disposal scheme, or to other purposes of the diocese or any benefice or parish in the diocese;
- (b) apply that money towards the payment of stipends of the clergy of the diocese; or
- (c) transfer that money to one or more other accounts or funds held by the Board, or apply or transfer it partly to such other accounts or funds and partly as provided in paragraphs (a) and (b).

 - (i) a special cure of souls in respect of a part of the area for which that ministry is established, being a part which consists of the first mentioned benefice or a major part of the area of it, is assigned by the scheme or the Bishop's licence to a vicar in the team ministry, or
 - (ii) where a special cure of souls is not so assigned, a special responsibility for pastoral care in respect of such a part of that area is assigned to a member of the team under section 10(6).

(4) Where this sub-paragraph applies —

- (a) the trusts of the charity or the constitution of the corporation shall have effect with the substitution for the incumbent of the

benefice of that vicar or that member, as the case may be, but

- (b) otherwise those trusts and that constitution shall (where necessary) have effect with the substitution for that incumbent of any such member of the team as may be nominated for the purposes of this sub-paragraph by the Bishop.

(5) Where —

- (a) a union of benefices or parishes is effected by a pastoral scheme, or the area of a benefice or parish is altered by a pastoral scheme, and
- (b) the purposes of a charity established for ecclesiastical purposes of the Church of England are defined by reference to one of the constituent benefices or parishes or, as the case may be, to the benefice or parish affected by the alteration,

the trusts of the charity shall (subject to any scheme mentioned in sub-paragraph (6)) have effect with the substitution for that benefice or parish of the benefice or parish created by the union or, as the case may be, of the benefice or parish as altered.

(6) Any scheme made by the Board under Schedule 3 to the Church Act 1992 for purposes arising in connection with a pastoral scheme may be made before the date on which the pastoral scheme comes into operation, but not so as to take effect before that date.

(7) Where —

- (a) by reason of the dissolution of a parish by a pastoral scheme, the parochial church council of that parish ceases to exist, and
- (b) any property vested in, or held on behalf of, that council is not dealt with under the foregoing provisions of this paragraph,

the property shall vest in or be held on behalf of the parochial church council of the parish in which the parish church of the dissolved parish, or the site of that church, is situated, for the like purposes, as nearly as may be, as those for which it was previously applicable in the hands of the first mentioned council.

Any question arising as to the application of any such property or the income of it shall be referred to the Bishop, whose decision shall be final and conclusive.

(8) Where —

- (a) as a condition of any benefaction, attendance at or the performance of Divine Service or any other act is required at any church, and
- (b) that church ceases in consequence of a declaration of [closure for regular public

worship] made by a pastoral scheme to be used for Divine Service, and

- (c) the case is not provided for under the foregoing provisions of this paragraph,

the parish church of the parish in which the first mentioned church or the site of it is situated shall be substituted for the first-mentioned church for the purpose of the performance of the required act.

(9) The provisions of this paragraph shall not apply to any fund or property for which provision is made under paragraph 17 of Schedule 3.

14. Liability of PCC as respects chapel

Without prejudice to any general rule of law relating to parochial church councils, the powers, duties and liabilities set out in section 4(1)(ii) of the Parochial Church Councils (Powers) Measure 1956 shall continue to apply to any church which was formerly a parish church and becomes a chapel of ease as the result of a pastoral scheme, and to the churchyard of any such church, except so far as the scheme otherwise provides.

15. Marriages and banns of matrimony

(1) Where the publication of banns of matrimony has been duly commenced in any church, the publication may be completed either in the same church or in any other church which, by virtue of this Measure, has at the time of completion taken the place of the first-mentioned church for the purpose of publication of banns, either generally or in relation to the parties to the intended marriage.

(2) Where, after the completion of the publication of the banns in any church, another church has by virtue of any provision of this Measure or anything done under it become a church in which banns of matrimony could be published in relation to the parties to the intended marriage, the marriage may be solemnised in that other church.

(3) Where a declaration of closure for regular public worship is made has been made in respect of a chapel, any licence relating to that chapel granted under section 14(1) of the Marriage Act 1984 shall be treated as having been revoked under that section.

(4) Where —

- (a) 2 or more benefices are held in plurality under this Measure, or
- (b) by virtue of any provision of this Measure or anything done under it there are 2 or more parish churches in the area of a single benefice,

the bishop may in writing direct where banns of matrimony of persons entitled to be married

in any church of those benefices, or in any church in that area, as the case may be, may be published and where marriages of those persons may be solemnised.

(5) Nothing in sub-paragraph (4) deprives a person of his or her right to be married in any church in which he would have been entitled to be married if no directions had been given under that sub-paragraph; and a person may be married in a church in which he or she would have been so entitled, even though banns of matrimony have by virtue of that sub-paragraph been published only in some other church.

(6) Where after the issue of a common licence for the solemnisation of the marriage in any church, another church has, by virtue of any provision of this Measure or anything done under it, taken the place of that church as a church in which the marriage of the parties concerned ought to be solemnised in pursuance of a common licence, the marriage may be solemnised in that other church.

[16. Burial rights in new or altered parishes

The creation or dissolution, or the alteration of the area, of a parish by virtue of a pastoral scheme shall not affect the rights and privileges (if any) of parishioners in respect of burials in any burial ground in that or any other parish.]

[(3) The power under sub-paragraph (1) to amend a draft scheme includes power to amend it so as to give effect instead to proposals included in representations made to the Commissioners on the draft; and where the Commissioners make amendments of that kind—

may wholly or in part quash the scheme either generally or in so far as it affects the applicant.

(4) Except in so far as any such scheme or any provision of it is expressed to come into operation on a date, event or contingency specified in it, the scheme comes into operation on the date on which it is made by the Commissioners.

8. Withdrawal of scheme at request of Bishop

If the Bishop considers that any proposals or draft scheme should not be proceeded with, he may, after consulting the Commissioners, direct the Commissioners not to proceed with the proposals or draft scheme, as the case may be, but without prejudice to the making of fresh proposals.

9. Supplementary powers of Commissioners

SCHEDULE 3
BUILDINGS CLOSED FOR REGULAR
PUBLIC WORSHIP
PART 1
PROVISIONS WHICH MAY BE MADE BY
PASTORAL SCHEME

1. Appropriation or demolition of church to be closed for regular public worship

- (1) This paragraph applies where the Commissioners —
- (a) are satisfied that a new church or place of worship is to be provided in the area of a benefice to take the place of a church building or church buildings in that area which should thereupon be declared closed for regular public worship, and
 - (b) are satisfied with the proposals made for the future of the church building or any of the church buildings to be closed.
- (2) A pastoral scheme may further provide—
- (a) for the appropriation of the building to be closed in accordance with paragraph 4(1)(a) or for its demolition, and for any of the matters mentioned in paragraph 4(2), (3) or (4);
 - (b) for the payment to the Board of —
 - (i) the proceeds of any sale or exchange of the building or the site of it, or any part of the building or site, with or without any land annexed or belonging to it, and
 - (ii) the premium on any lease or licence of the building or site or any part of the building or site with or without any such land; and
 - (c) subject to sub-paragraph (6), for the application of the net proceeds and net premiums to defray the cost of providing the new church or place of worship and, if the whole amount of them is not required

for that purpose, for the payment of the balance to the diocesan pastoral account.

(3) A pastoral scheme which provides for the demolition of a building closed for regular public worship may provide for its demolition by the Board.

(4) Where a pastoral scheme makes such provision as is mentioned in sub-paragraph (2), the declaration of closure for regular public worship shall not take effect until the new church or place of worship is provided.

(5) Sub-paragraph (4) does not apply where the Commissioners are satisfied that, if the church or any of the churches to be replaced is disposed of or demolished before the new church or place of worship is provided, a suitable building will be available in the meantime (not necessarily in the same parish) for use in place of that church.

(6) Where before a declaration of closure for regular public worship is made by a pastoral scheme under this paragraph in respect of a church which —

(a) was the subject of a sharing agreement, and

(b) on the termination of the agreement was vested in an incumbent and churchwardens by section 9(3) of the Sharing of Church Buildings Act 1969,

any contribution in the nature of capital made in accordance with the agreement by any party to it, other than a party acting on behalf of the Church of England, or so much of it as the Commissioners may determine, may be repaid to that party by the Board out of the proceeds of any sale or exchange, or the premiums on any lease or licence, of that church, any part of that church, or the site of it before the net proceeds or net premiums, as the case may be, are applied in accordance with sub-paragraph (2)(c).

(5) References in this paragraph to the provision of a new place of worship include references to the provision of such a place by adapting, improving or repairing an existing building.

(6) In this paragraph "place of worship" —

(a) means a building licensed by the Bishop for public worship in accordance with the rites and ceremonies of the Church of England, being a building used wholly for the purposes of such worship and purposes ancillary thereto, or partly for those purposes and partly for other ecclesiastical purposes of the parish or purposes ancillary thereto, and

(b) includes a building which, pursuant to an agreement under the Sharing of Church Buildings Act 1969, is to be used as a place of

worship jointly with another Church and is to be owned by the Church of England only or to be jointly owned by that Church and any other Church.

2. Other provision by pastoral scheme for church to be closed for regular public worship

(1) This paragraph applies where a pastoral scheme makes a declaration of closure of a church for regular public worship in respect of any church or part of a church, not being a case to which paragraph 1 applies.

(2) Where the Commissioners are satisfied that a suitable use or uses will be available for the building to be closed for regular public worship when the declaration takes effect, the pastoral scheme may —

- (a) provide for the appropriation of the building to that use or those uses, and
- (b) may make further provision for any of the matters mentioned in paragraph 4(2), and paragraph 4(5) to (7) shall apply accordingly.

(3) Where the Commissioners are satisfied that no suitable or appropriate alternative use will be available for the building to be closed for regular public worship when the declaration takes effect, the pastoral scheme may, with the consent of Manx National Heritage, provide —

- (a) for its care and maintenance by Manx National Heritage, and
- (b) also for the care and maintenance by Manx National Heritage of the whole or any part of the land annexed or belonging to the building or the church of which the building is part (including land which is or has been used for burials).

(4) Where —

- (a) the church is neither a registered building nor situated in a conservation area, and
- (b) the Commissioners are satisfied with the proposals for the future of the building,

the pastoral scheme may provide for the demolition of the building to be closed for regular public worship and for any of the matters for which paragraph 4(4) makes provision, and paragraph 4(5) to (7) shall apply accordingly.

PART 2

DISPOSAL OF BUILDINGS CLOSED FOR REGULAR PUBLIC WORSHIP

3. Period for seeking alternative use

(1) Where a declaration of closure for regular public worship is made in a case to which neither paragraph 1 nor paragraph 2 applies, the building closed for regular public worship,

together with its contents, when the declaration takes effect, shall vest in the Board.

(2) During the period between the taking effect of a declaration of closure for regular public worship and the coming into operation of a disposal scheme with respect to the building closed for regular public worship—

- (a) the Board is responsible for the care and maintenance of the building closed for regular public worship, so far as is reasonable in all the circumstances, and the safe keeping of its contents, whether in the building or elsewhere, and must insure the building and contents;
- (b) the Board may without obtaining a faculty, but after consulting the advisory committee and the Vicar General (unless the Board considers that, having regard to the urgency of the need to safeguard the contents, it is not practicable to do so), transfer the contents of the building or any of them to some other place for safe keeping until the scheme comes into operation;
- (c) the Board may with the consent of the Bishop and of the incumbent or priest in charge of the benefice in the area of which the building is situated, permit the building to be used occasionally for worship, including worship by persons belonging to other Christian Churches;
- (d) while incurring no financial obligation, the incumbent or priest in charge and churchwardens of the parish in which the building is situated shall give the Board every assistance in providing for reasonable supervision of the building against damage.

(3) On a declaration of closure for regular public worship taking effect, any liability of a parochial church council or rector (including a lay rector) for the repair and maintenance of the building closed for regular public worship and the safe keeping of its contents ceases, and Part 1 of the Church Act 1979 ceases to apply to the building.

(4) Where the Board transfers any of the contents of the building closed for regular public worship to some other place, the Board must —

- (a) serve a notice on the Commissioners, Manx National Heritage and the diocesan registrar informing them of the transfer and giving particulars of the contents transferred and the address of the place in question, and
- (b) serve a similar notice on any incumbent, priest in charge, parochial church council or sequestrators concerned.

4. Contents of disposal schemes

(1) A disposal scheme must make the following provision for the building closed for regular public worship —

- (a) if a use or uses appearing to the Commissioners to be suitable have been found for the building or any part of it, the scheme may provide for appropriating the building or part to such use or uses, which must be specified or generally described in the scheme;
- (b) if such use or uses cannot be found for the building or a part of it, the scheme may, with the consent of Manx National Heritage, provide for its care and maintenance by Manx National Heritage.
- (c) if the building or any part of it is not appropriated or provided for under paragraph (a) or (b), the scheme may, with the consent of the Board, provide for the building or any part of it to remain vested in the Board and to be held by it on such terms as may be specified in the scheme;
- (d) if the building or any part of it is not appropriated or provided for under (a) to (c) above, the scheme must provide for its demolition by the Board.

(2) Where a disposal scheme provides for the appropriation of the building closed for regular public worship or any part of it to a use or uses specified or described in the scheme, the scheme may also—

- (a) provide for appropriating the whole or any part of the land annexed or belonging to the building or the church of which it forms part, to a use or uses so specified or described;
- (b) empower the Board itself —
 - (i) to use or hold the property concerned for the use or uses so specified or described;
 - (ii) to let or license the property for such use or uses, or
 - (iii) partly the one and partly the other;
- (c) empower the Board, subject to any conditions prescribed by the scheme, to sell, give or exchange the property concerned or any part of it for such use or uses.

(3) Where a disposal scheme provides for the building closed for regular public worship or any part of it to remain vested in the Board, the scheme may also —

- (a) provide for appropriating the whole or any part of the land annexed or belonging to the building, or the church of which it

forms part, to a use or uses specified or described in the scheme;

- (b) empower the Board itself —
 - (i) to use or hold the property concerned for the use or uses so specified or described;
 - (ii) to let or license the property for such use or uses, or
 - (iii) partly the one and partly the other;
- (c) empower the Board, subject to any conditions prescribed by the scheme, to sell, give or exchange that land or any part of it for such use or uses;
- (d) transfer to the Board responsibility for the care and maintenance of that land or any part of it (including land which is or has been used for burials).

(4) Where a disposal scheme provides for the demolition of the building closed for regular public worship or any part of it, it may also provide—

- (a) for the sale, gift, exchange or lease by the Board, as the case may be, of the site or part of the site of the demolished building or part of the building, with or without the whole or any part of the land annexed or belonging to the building or to the church of which it forms part;
- (b) for the disposal of the materials arising from the demolition;
- (c) for specifying the use or uses for which any land sold, given, exchanged or let by the Board is to be used or allowing it to be used without limitation;
- (d) for appropriating the site or any part of it for use as part of the churchyard or burial ground or for other ecclesiastical purposes of the parish.

(5) Subject to sub-paragraph (7), the proceeds of any sale or exchange under sub-paragraph (2), (3) or (4) and the premiums on any lease or licence under those sub-paragraphs shall be paid to the Board who shall pay them to the diocesan pastoral account, and the net rent payable under any such lease or licence shall be paid into the said account.

(6) Sub-paragraph (7) applies where —

- (a) before a declaration of closure for regular public worship was made in respect of a church or part of a church that church or part was the subject of a sharing agreement under the Sharing of Church Buildings Act 1969,
- (b) on the termination of the agreement it was vested in an incumbent and churchwardens by section 9(3) of that Act, and

(c) a contribution in the nature of capital was made in accordance with the agreement by any party to it, other than a party acting on behalf of the Church of England.

(7) Where this sub-paragraph applies, the Board shall repay to that party out of the proceeds of any sale or exchange, or the premiums of any lease or licence, of that church or part or the site if it under sub-paragraph (2), (3) or (4) —

- (a) that contribution, or
- (b) so much of it as the Commissioners may determine,

before the net proceeds or net premiums, as the case may be, are paid or applied in accordance with sub-paragraph (5).

(8) Where —

- (a) a pastoral scheme makes a declaration of closure for regular public worship in respect of a church,
- (b) the Commissioners are satisfied that a new church or place of worship is to be provided in the area of the benefice in which the first-mentioned church is situated to take the place of that church, and
- (c) a subsequent disposal scheme which makes provision, within the period of 3 years from the declaration of closure or such longer period as the Commissioners may allow, for the building closed for regular public worship also provides for any of the matters authorised to be included in the scheme by sub-paragraph (2)(b) or (c), (3)(b) or (c) or (4)(a) or (b)—

"the diocese" means the diocese of Sodor and Man;

"leader", in relation to a mission initiative, means the person or one of the persons or group of persons, specified under paragraph 2(3)(c) in the relevant bishop's mission order;

"mission initiative" means an initiative to promote or further the mission of the Church or any aspect of it;

"visitor", in relation to a mission initiative, means the person designated under paragraph 4 in the relevant bishop's mission order.

2. *Mission initiatives*

(1) This paragraph applies where —

(b) either —

(i) that person or group or any other person or body exercising ecclesiastical functions in the diocese requests the Bishop to make an order under this paragraph, or

(ii) the Bishop, without any such request being made, considers that it would be appropriate to make an order under this paragraph.

(2) If the Bishop is satisfied that the mission initiative would be likely, through fostering or developing a form of Christian community, to promote or further the mission of the Church or any aspect of it, he or she may make an order (a "bishop's mission order") endorsing the initiative and making provision for it in accordance with this Schedule.

(3) A mission order shall specify —

(a) the objectives of the mission initiative;

(b) the area or areas in which it is being or is to be carried out;

(7) The Bishop may authorise a person or body to carry out the consultation referred to in sub-paragraph (5) on his or her behalf.

(b) if that person is a deaconess, reader or lay worker, he or she is authorised under any Canon to do so.

(2) Subject to sub-paragraphs (1) and (3), a bishop's mission order may include provision authorising a minister to exercise his or her ministry in any place for the purposes of or in connection with the mission initiative in any manner specified in the order and, where he or she is not the minister who has the cure of souls in that place, without obtaining the permission of the minister who has that cure.

(3) Before including any provision under sub-paragraph (2), the Bishop shall consult—

- (a) if the order affects one parish only, the incumbent or priest in charge of that parish,
- (b) subject to paragraph (c), if the order affects more than one parish, either the incumbents or priests in charge of those parishes or the house of clergy of the Diocesan Synod, as the Bishop thinks fit,
- (c) if the order affects all the parishes in the diocese, the house of clergy of the Diocesan Synod.

(4) Any alms collected in the course of or in connection with an office or service performed in accordance with the order shall be disposed of in such manner as the minister performing the office or service may, subject to the direction of the Bishop, determine.

(5) Subject to sub-paragraph (1), a bishop's mission order may include provision authorising the performance of divine service, including Holy Communion, if so specified, —

- (3) The Bishop may amend a bishop's mission order or a supplementary instrument

- (a) the Commissioners,
- (b) the leader or leaders,
- (c) the visitor,
- (d) any relevant person having the cure of souls, and
- (e) any other person or body which he or she thinks fit;

and paragraph 3(3) or 7(2) or (4) shall apply if any amendment relates to a provision referred to in any of those sub-paragraphs.

(4) The Bishop may revoke a bishop's mission order and a supplementary instrument by a further order or instrument but, in the case of an order, shall not do so without carrying out the like consultation as is referred to in sub-paragraph (3).

(8) A bishop's mission order, a supplementary instrument and an order or instrument under sub-paragraph (3) or (4) —

(3) The visitor's report may contain such other recommendations or comments as the visitor may think fit and copies of the report shall be sent to such other persons or bodies as the Bishop may direct.

(4) The Bishop, after considering the report, may, if he or she considers that the mission initiative should continue, after consulting the Commissioners and after carrying out such further consultation as he or she thinks fit, make a further bishop's mission order continuing the mission initiative and, if he or she thinks fit, a further supplementary instrument.

(5) The further order and supplementary instrument, if any, shall specify the duration of the order and instrument (which may be defined or indefinite) and the order shall continue in force accordingly.

(6) If the Bishop makes a further order under sub-paragraph (4) which is of defined duration, the visitor shall be under the like duty to review and report on the mission initiative as is imposed on the visitor by sub-paragraphs (1), (2) and (3).

and after consulting the Commissioners, make a further bishop's mission order and, if he or she thinks fit, a further supplementary instrument.

(8) Any order or supplementary instrument made under sub-paragraph (7) shall continue without limit of time, unless revoked or amended by a further order or instrument.

(9) Any order or supplementary instrument made under this paragraph shall, so far as appropriate, make provision for any of the

matters mentioned in paragraphs 2 to 5 and those paragraphs shall apply accordingly.

"SCHEDULE 6A

MISSION INITIATIVES

1. Interpretation

In this Schedule —

"bishop's mission order" means an order under paragraph 2;

"the diocese" means the diocese of Sodor and Man;

"leader", in relation to a mission initiative, means the person or one of the persons or group of persons, specified under paragraph 2(3)(c) in the relevant bishop's mission order;

"mission initiative" means an initiative to promote or further the mission of the Church or any aspect of it;

"visitor", in relation to a mission initiative, means the person designated under paragraph 4 in the relevant bishop's mission order.

2. *Mission initiatives*

(1) This paragraph applies where —

- (a) a person or group of persons is carrying out or is proposing or wishes to carry out a mission initiative in the diocese; and
- (b) either —
 - (i) that person or group or any other person or body exercising ecclesiastical functions in the diocese requests the Bishop to make an order under this paragraph, or
 - (ii) the Bishop, without any such request being made, considers that it would be appropriate to make an order under this paragraph.

(2) If the Bishop is satisfied that the mission initiative would be likely, through fostering or developing a form of Christian community, to promote or further the mission of the Church or any aspect of it, he or she may make an order (a "bishop's mission order") endorsing the initiative and making provision for it in accordance with this Schedule.

(3) A mission order shall specify —

- (a) the objectives of the mission initiative;
- (b) the area or areas in which it is being or is to be carried out;
- (c) a person or persons or a group of persons who or which is or are to lead the mission initiative and be responsible to the Bishop for the conduct of it (the "leader" or "leaders"); and
- (d) the role of the leader or leaders.

(4) The Bishop shall make such provision in the order as he or she thinks fit for the administration of the Sacraments in accordance with the statutory provisions and other laws relating thereto.

(5) Before making a mission order the Bishop shall—

- (b) consult any person or group of persons who or which appears to him or her to have a significant interest in or to be

likely to be significantly affected by the order, including any body which he or she considers would adequately represent the interests of any such person or group,

- (c) consult the Commissioners, and
 - (d) obtain the consent of the proposed leader or leaders.
- (6) For the purposes of sub-paragraph (5)(b), the following shall be deemed to have an interest in the order—

- (a) any person having or sharing the cure of souls in the area of any benefice affected by the order, and
- (b) any other person or body, including a parochial church council or patron, who may have an interest in the cure of souls in any such area;

and in considering whether a person or body has a significant interest in or would be likely to be significantly affected by the order, the Bishop shall have regard to the objectives of the initiative endorsed by the order and any other circumstances which he thinks relevant.

(7) The Bishop may authorise a person or body to carry out the consultation referred to in sub-paragraph (5) on his or her behalf.

3. *Exercise of ministry*

(1) No person may officiate in any place in accordance with a mission order unless—

- (a) if that person is ordained as a priest or deacon, he or she —

 - (ii) may otherwise under any Canon of the Church of England officiate in that place without the authority of the Bishop, or
- (b) if that person is a deaconess, reader or lay worker, he or she is authorised under any Canon to do so.

(2) Subject to sub-paragraphs (1) and (3), a bishop's mission order may include provision authorising a minister to exercise his or her ministry in any place for the purposes of or in connection with the mission initiative in any manner specified in the order and, where he or she is not the minister who has the cure of souls in that place, without obtaining the permission of the minister who has that cure.

(3) Before including any provision under sub-paragraph (2), the Bishop shall consult—

- (a) if the order affects one parish only, the incumbent or priest in charge of that parish,
- (b) subject to paragraph (c), if the order affects more than one parish, either the incumbents or priests in charge of those parishes or the house of clergy of the Diocesan Synod, as the Bishop thinks fit,
- (c) if the order affects all the parishes in the diocese, the house of clergy of the Diocesan Synod.
