(2) If it appears to the Bishop that any records deposited in the diocesan record office under this Measure that they contain information of such a kind, or obtained in such circumstances, that the opening of those records to the public would or might constitute a breach of confidence or good faith on the part of the Church or of the persons who obtained the information, he shall notify the diocesan records officer accordingly.

(3) Where a notification is given under subsection (2), the records in question shall not be available in the diocesan record office for public inspection even after the expiration of the said period except in such circumstances and subject to such conditions, if any, as the Bishop may approve, or, if the Bishop thinks fit, after the expiration of such period as he may direct.

(4) Nothing in this section shall be construed as granting any right to inspect public records or any part of them which appear to the diocesan records officer to be in danger of damage through inspection by the public; but where any records are withheld from inspection by the public by virtue of this subsection the diocesan records officer shall, if possible, make copies of them available for inspection by the public.

(5) The foregoing provisions of this section are subject to any statutory provision, whenever made, which prohibits or restricts the disclosure of information.

25. Disposal of registers etc. on dissolution of parish, etc.

demolition or otherwise, then, unless the Bishop otherwise directs or any pastoral scheme otherwise provides, the registers and records kept in or relating to that church shall be deposited in the diocesan record office.

(3) Subsections (1) and (2) are without prejudice to the power of the Bishop to make an order under section 13 with respect to such registers or records; and section 15, with the omission of subsection (3), shall apply in relation to any such registers or records which in compliance with the direction of the Bishop have been deposited in a place which is not the diocesan record office.

the person having the custody of the register or the diocesan records officer may require the search to be made in an authenticated photographic copy of the register.

For the purposes of this subsection a copy shall be regarded as authenticated if it bears a certificate signed by the person who had the custody of the register or the person who was the diocesan records officer, as the case may be, at the time the certificate was issued to the effect that it is a true copy of the register.

(5) Where a search is required under subsection (4) to be made in an authenticated photographic copy of a register, the person making the search may request the person having custody of the register (the "custodian") or diocesan records officer to allow the search to be made in the register on the grounds that the copy is not accurate or that the quality of reproduction of the copy is not adequate for the purpose of the search.

(10) Where —

- (a) 2 or more benefices are, or are to be, held in plurality, and
- (b) a team ministry is established or is to be established for the area of one of those benefices,

a pastoral scheme may provide for extending the operation of the team ministry, so long as the plurality continues, to the area of any other benefice so held.

(11) In this section "specified term of years", in relation to a team ministry, means —

- (a) the term of years specified for the team ministry for the purposes of subsection (4) by a pastoral scheme; or
- (b) where no such term of years is so specified, 7 years.

NOTE: S.9: subs.(4A) inserted by Mission and Pastoral Measure (Isle of Man) (Amendment) Order 2013 (SD 89/13) art.3(2).

10. Status and functions of members of team ministry

(1) The rector in a team ministry —

- (a) has a general responsibility for the cure of souls in the area of the benefice, which may be subject to any special cure or special responsibility given to a vicar as provided in this section, and
- (b) is responsible for the leadership of the team;

and the scheme establishing the team ministry may make further provision as to the relationship of the rector and other members of the team ministry.

(2) A vicar in a team ministry by virtue of his office, but subject to his licence, has authority to perform in the area of the benefice all such offices and services as may be performed by an incumbent.

(3) The scheme or, subject to the scheme, the Bishop's licence may—

- (a) assign to a vicar a special cure of souls in respect of a part of the area of the benefice and, if appropriate, the name of vicar of a church in that part;
- (b) assign to a vicar a special responsibility for a particular pastoral function;
- (c) provide that any such special cure or responsibility shall be independent of the rector's general responsibility;
- (d) assign to a vicar a general responsibility to be shared with the rector for a cure of souls in the area as a whole.

(4) . . . any provision mentioned in subsection (3) made by the Bishop's licence may (subject to the scheme) be varied or revoked, with the consent of the rector and the vicar concerned, by a subsequent licence under seal.

.

(6) A pastoral scheme establishing a team ministry or, subject to the scheme, the Bishop's licence may assign to any member of the team who is not a member of the team chapter a special responsibility for pastoral care in respect of a part of the area of the benefice, so far as consistent with that member's office.

(7) Any provision mentioned in subsection (6) made by the Bishop's licence may (subject to the scheme) be varied or revoked by a subsequent licence under seal.

(8) The Ecclesiastical Jurisdiction Measures 1963 and 1974 apply to vicars in a team ministry and deacons in a team ministry [to whom section 9(4A) applies] as if they were incumbents of the benefice for the area of which the team ministry is established.

(9) Sections 8 and 9 (age limit) of the Church Act 1992 apply to deacons in a team ministry [to whom section 9(4A) applies] as if they were vicars in the team ministry, and accordingly no person shall be capable of being authorised by licence of the Bishop to serve in a team ministry as such a deacon if at the time of the issue of the licence he has attained the age of 70 years.

(10) Where the rector in a team ministry established for any benefice receives a statutory notice concerning ecclesiastical property in the benefice, he must —

- (a) keep every member of the team informed of matters arising from the notice;
- (b) afford every member of the team an opportunity to express views on it before taking any action in response to the notice; and
- (c) have regard to those views before taking any such action.

In this subsection—

"ecclesiastical property" has the same meaning as in section 33(4) of the Acquisition of Land Act 1984 ;

"statutory notice" means a notice given in pursuance of any statutory provision or of any instrument made under a statutory provision.

(11) Where a pastoral scheme makes provision under section 9(11), [subsections (1) to (4)] have effect as if the references to the area of the benefice were references to the combined area of the benefices concerned.

(12) Where a benefice for which a team ministry is established becomes vacant the Bishop may appoint a person holding the office of vicar in the team ministry to act as rector in the team ministry for the purposes of section 9(6), subsection (1) and paragraph 3 of Schedule 1, and while the benefice remains vacant, any person so appointed shall be treated as holding the office of rector in the team ministry for the purposes of those provisions.

11. Establishment of group ministries

(1) A pastoral scheme may provide for establishing a group ministry for a group of benefices specified in the scheme.

(2) The following provisions apply to a group ministry —

- (a) each of the incumbents of the benefices in the group has authority to perform in the area of every such benefice all such offices and services as may be performed by the incumbent of that benefice;
- (b) the incumbent of any such benefice must, in performing such offices and services in the area of another benefice, act in accordance with the directions of the incumbent of that other benefice;
- (c) all the incumbents must assist one another so far as to make the best possible provision for the cure of souls throughout the area of the group ministry.

.

(4) Where a group ministry is established, the rights and duties aforesaid of each incumbent attach to his or her office, and accordingly, so long as the group ministry continues and the benefice is included in it, —

- (a) the incumbent is not entitled to resign or withdraw from those rights and duties, except by resigning the benefice; and
- (b) on a vacancy the new incumbent shall be admitted to the benefice as an office in the group ministry, with the rights and subject to the duties of the office.

(5) A pastoral scheme establishing a group ministry may provide for the designation or selection of the first person (who may be the existing incumbent) to hold any benefice as a benefice in the group.

(6) Where subsection (5) does not apply, the incumbent of any benefice in the group shall be presented or collated to the benefice by the patron of it, with the approval of the Bishop (in the case of presentation) given in accordance with paragraph 4 of Schedule 1.

(7) The incumbents in a group ministry shall meet as a chapter for the purpose of discussing and reaching a common mind on all matters of

general concern or special interest to the group ministry.

(8) A pastoral scheme may provide for the chairmanship of the chapter and, in default of such provision —

- (a) the members shall elect a chairman, normally for a term of 3 years;
- (b) the chairman shall convene meetings of the chapter at regular intervals and shall preside when present, and
- (c) in his absence a deputy chairman appointed by the meeting shall preside.

(9) A pastoral scheme may include in a group ministry a benefice for which a team ministry is established, and in that case this section applies to all the vicars in the team ministry, as well as to the rector, in like manner as it applies to the incumbents of the other benefices in the group, except that directions to those incumbents in respect of their ministry in the area of the benefice for which the team ministry is established may only be given by the rector.

(10) In this section, except subsections (4) to (6), "incumbent" includes a priest in charge.

NOTE S.11: subs.(2): words omitted repealed by Bishops and Priests (Consecration and Ordination of Women) Measure (Isle of Man) 2015 s.3(1)(c); subs.(3) repealed by ib. s.3(1)(d).

- (f) alter a group ministry by reducing or increasing or changing the benefices in the group;

(g) provide for such supplementary, consequential or transitional provisions as the Commissioners think necessary or expedient, including in particular the provision relating to patronage required by paragraph 1(4) of Schedule 1 and provisions relating to the matters mentioned in paragraph 6 of that Schedule.

(2) If a benefice for which a team ministry is established is dissolved by a pastoral scheme, the offices of the vicars in the team ministry (as well as the office of rector) cease to exist, without prejudice to the creation of such offices for any benefice created or altered by the scheme.

Other provisions as to clergy and ministry

Designation etc. of parish churches and places of worship

16. Provisions as to parish churches

(1) A pastoral scheme may, in relation to any parish, including a new parish to be created by the scheme or a parish the area of which is to be altered by the scheme —

- (a) designate as the parish church or as an additional parish church, or as parish churches or additional parish churches, any church or churches in the parish;
- (b) provide for a church in the parish which immediately before the scheme comes into operation is a parish church to cease to be a parish church;
- (c) provide for a new church and for it to become, after its approval by the Bishop, after consultation with the advisory committee and the Commissioners as suitable to be a parish church and its consecration, the parish church, or an additional parish church, of the parish either in substitution for an existing parish church or otherwise;
- (d) require the Bishop to notify the Commissioners of his approval of a building or church as suitable to be a parish church and of its consecration.

(2) The designation by a pastoral scheme as a parish church of a building which immediately before the scheme comes into operation is not a parish church does not take effect unless and until it has been approved by the Bishop, after consultation with the advisory committee and the Commissioners, as suitable to be a parish church and, if necessary, the building has been consecrated.

(3) If the area of a parish is altered by a pastoral scheme but no provision with respect to the churches in that area is made by the scheme, every church in that area has the same status on and after the date on which the

scheme comes into operation as it had immediately before that date.

(4) Where, in a parish which has no parish church, a church is approved by the Bishop, after consultation with the advisory committee and the Commissioners as suitable to be a parish church and is consecrated, it shall become the parish church of that parish.

(5) Where by virtue of a designation made by a pastoral scheme or otherwise a parish has more than one parish church, the following provisions apply—

- (a) the parishioners of the parish have the same rights of worship in each of the parish churches;
- (b) marriages may be solemnized in any of the parish churches, and the Bishop may give directions under paragraph 15(4) of Schedule 1, with respect to the publication of banns and solemnization of marriages in the parish churches;
- (c) burial rights shall not be affected by the designation, but shall be governed by paragraph 16 of Schedule 1;
- (d) the powers, duties and liabilities of the parochial church council of the parish shall extend to each of the parish churches;

and the pastoral scheme may make such other adaptations or modifications of statutory provisions relating to parish churches or churchwardens (including this section) as the Commissioners think necessary or expedient.

(6) It is lawful, in any church designated by a pastoral scheme as a parish church or becoming a parish church under this section, to publish banns of matrimony, solemnize marriages and perform all other such ecclesiastical offices as may be performed in a parish church.

(7) A pastoral scheme may provide for determining claims to sittings and other claims in respect of a church designated by a pastoral scheme as a parish church or becoming a parish church under this section.

(8) A pastoral scheme may provide for —

- (a) transferring to a church designated by such a scheme as a parish church or becoming a parish church under this section register books or records from any other church ceasing to be a parish church or otherwise affected by or in pursuance of that or any other pastoral scheme, or
- (b) those books or records to be dealt with as the Bishop may direct under section 25 of the Church Records Measure (Isle of Man) 2000.

In this subsection "register books" and "records" have the same meanings as in that Measure.

17. Places of worship

(1) Where a parish has no church, the Bishop shall make provision for public worship according to the rites and ceremonies of the Church of England by licensing one or more buildings or parts of buildings for public worship.

(2) The Bishop may designate as a parish centre of worship —

- (a) any church in a parish, other than a parish church, or
- (b) any building or part of a building licensed for public worship in a parish.

(3) Subject to subsections (4) and (5), a church, building or part of a building designated under subsection (2) shall be treated, while the designation is in force, to be a parish church for the purposes of —

- (c) any other statutory provision (including this Measure) or rule of law requiring or authorising any service or ceremony to be held or notices to be affixed or other thing done in or at the parish church or a parish church.

(4) A building or part of a building designated under subsection (2) shall not by virtue only of the designation be subject to the faculty jurisdiction, but without prejudice to the power of the Bishop under section 6 of the Faculty Jurisdiction Measure 1964 to direct that it shall be so subject.

(5) A designation under subsection (2) may be revoked by the Bishop, but without prejudice to the continuation in force of any licence under subsection (1), if the Bishop thinks fit.

(6) Any such designation or revocation shall be under seal and shall be registered in the diocesan registry, and the diocesan registrar shall give public notice of the designation or revocation in one or more local newspapers.

Closure of churches for regular public worship

18. Closure of churches for regular public worship

(1) A pastoral scheme may make a declaration of closure for regular public worship in respect of—

- (a) a church which is not required as a parish church or chapel of ease or will cease to be so required as a result of any provision of the scheme; or

- (b) any part of a church (being a parish church or chapel of ease) which is no longer required for use as a part of the church or will cease to be so required as a result of any provision of the scheme.

(2) Where a pastoral scheme makes such a declaration, provision may be made in accordance with Schedule 3, either by the scheme in the circumstances specified in Part 1 of that Schedule or by a disposal scheme under Part 2 of that Schedule, for —

- (a) the use, the care and maintenance, the vesting in the Board or the demolition of the church or part of the church to which the declaration relates (the "building closed for regular public worship"), and
- (b) for dealing with a churchyard or other land annexed or belonging to the church.

(2) A declaration of closure for regular public worship may be made in respect of a parish church even though the parish will have no parish church when the declaration takes effect, and the status of the parish shall not be affected by the lack of a parish church.

(3) As from the date when a declaration of closure for regular public worship takes effect in respect of the whole of a church, the church is closed for public worship except as may be provided under Schedule 3.

(4) Except in the cases specified in paragraphs 1 and 2 of Schedule 3, and without prejudice to paragraph 9 (restoration) of that Schedule, no further provision beyond the declaration of closure for regular public worship itself shall be made by a pastoral scheme with respect to a building closed for regular public worship.

(5) Any such provision shall be made by a disposal scheme under Part 2 of Schedule 3.

19. Churches not to be closed or disposed of otherwise than under this Measure

(1) It is not lawful to make any order or give any direction for closing a church on the ground that it is no longer required for use as a church, and the only procedure for closing a church on that ground shall be by way of a declaration of closure for regular public worship.

(2) It is not lawful to sell, lease or otherwise dispose of —

 - (b) the disposal of any such property for any such use or uses or without limitation of use.
- (2) Subsection (1) does not apply to a churchyard or other land annexed or belonging to a church to which a declaration of closure for regular public worship relates unless the scheme by which provision was made for the use, the care and maintenance, the vesting in the Board or the demolition of the church contained no provision for dealing with the land which is to be the subject of the proposed scheme.
- (3) In the case of a churchyard or other land annexed or belonging to a church or a burial ground adjacent to a church, the pastoral scheme must make such provision as appears to the Bishop and the Commissioners to be —
- (a) desirable for safeguarding the use and amenities of the church, or
 - (b) necessary for preserving a right of access to any grave in that land or burial ground.
- (4) Any scheme providing for the matters referred to in this section may also make provision for —

- (i) the appropriation, disposal and vesting of property, rights of way and other easements,

21. Disposal of human remains

(1) Where any human remains are believed to be buried in or beneath a building closed for regular public worship or in any land to which a disposal scheme applies, the body or person in whom the property is vested or to whom it is leased or licensed shall not, subject to this section, demolish, sell, lease or otherwise dispose of it or any part of it, or use it or any part of it, or carry out any development of it or any part of it, unless—

so long as the whole of it continues to be so used without any structural alteration involving the disturbance of human remains or the removal of any tombstones, monuments or memorials commemorating deceased persons;

- (b) to any land which remains annexed or belonging to a building closed for regular public worship used as mentioned in paragraph (a);
 - (c) to any land which is to be used as part of a churchyard or burial ground and is vested under paragraph 10 of Schedule 3 in the person in whom the churchyard or burial ground is vested;

 - (b) the intended use or development of any property to which a disposal scheme applies or any part of such property,
- will not involve the disturbance of human remains.
- (4) That Department may, after consultation with the Bishop and the Commonwealth War Graves Commission, by order provide for dispensing with the requirements (so far as they concern human remains) of subsection (1) and Schedule 4 in relation to —
- (a) the demolition of the building or part of it, or
 - (b) such use or development of the property or part, as may be prescribed by or under the order, subject to such conditions, restrictions, and requirements as may be so prescribed, and
 - (c) in relation to any sale, lease or other disposal of the property for the purpose of such use or development.
- (5) Any order under sub-paragraph (4) may be amended or revoked by a subsequent order made in like manner and subject to the like conditions, and, if at any time the requirements of subsection (1) and Schedule 4 are complied with in respect of the property, the order shall cease to have effect.
- (6) Where, by virtue of any such order, human remains are not removed and reinterred or cremated, the requirements of subsection (1) and Schedule 4, so far as they relate to the disposal of tombstones, monuments and memorials, shall nonetheless apply.
- (7) Where there is situated in any building or part of a building closed for regular public worship or any land to which a disposal scheme applies any monument or memorial commemorating a deceased person whose remains are not buried in the building or part

of it or land, the body or person in whom the building or part or land is vested or to whom it is leased or licensed shall not demolish, sell, lease or otherwise dispose of it or use it for any use or carry out any development of it, unless —

- (a) the monument or memorial has been disposed of in such manner as the Bishop after consultation with the advisory committee has directed, or
 - (b) the Bishop has after such consultation dispensed with this requirement.
- (8) No faculty shall be required for anything done in pursuance of this section or Schedule 4.

provide for the exchange or transfer of rights of patronage of any benefice or church, whether or not that benefice or church is otherwise affected by the scheme.

(2) A pastoral scheme creating any new benefice may provide for vesting the patronage of the benefice in a patron or patrons and, where necessary, for determining the manner in which the rights of patronage are to be exercised.

(3) Without prejudice to the generality of subsections (1) and (2), a pastoral scheme (whether it relates only to an existing benefice or provides for the creation of a new benefice) may, with the consent of the patron or patrons of any benefice affected by the scheme, provide for the transfer of existing rights of patronage to, or for the vesting of new rights of patronage in, a patronage board constituted by the scheme.

(4) A pastoral scheme providing for the holding of 2 or more benefices in plurality may provide for the exercise of the rights of patronage of those benefices, including their exercise on a renewal of the provision for plurality.

(5) Where any benefice is dissolved by a pastoral scheme, or a chapel of ease becomes a parish church by virtue of a pastoral scheme, the rights of patronage of the benefice and any rights of patronage of the chapel of ease shall cease to exist.

(6) In the exercise of the powers conferred by this section and paragraph 5 of Schedule 1, regard shall be had to the interests of persons whose rights of patronage cease to exist by virtue of a pastoral scheme and to the interests

of patrons of benefices to be held in plurality, but it shall not be necessary for the scheme to provide, in cases where there are pastoral or practical objections, for conferring new patronage rights on all or any of those persons or sharing the exercise of the patronage rights of the benefices to be held in plurality among the patrons of those benefices or all of them.

(7) Any provision with respect to rights of patronage made by or by virtue of this section shall have effect subject to any provisions made by virtue of section 14 with respect to the incumbents and vacancies mentioned in it.

(8) A pastoral scheme providing for the vesting or exercise of rights of patronage under subsection (2) or (5) may also, in appropriate cases, provide for applying to those rights any trusts formerly applicable to rights extinguished or altered by or by virtue of the scheme.

(9) Nothing in the provisions of this section affects the provisions of sections 9(8) and 11(5) and paragraphs 1, 4 and 5 of Schedule 1, and accordingly any rights of patronage exchanged or transferred or created by or under this section shall, on the establishment of a team or group ministry for the benefices concerned, have effect subject to those provisions.

Endowments, income etc,

24. Endowments, income, etc.

(1) A pastoral scheme may provide, on such terms and conditions as may be specified, that the whole of the income of the endowments of a benefice, or a specified annual amount of it, or the excess over a specified amount of it, shall be paid to the income account of the diocesan stipends fund.

For the purposes of this subsection, 2 or more benefices which are held in plurality or are to be held in plurality by virtue of the scheme may be treated as if —

- (a) they constituted one benefice, and
- (b) the aggregate of the income of their endowments were the income of the endowments of that one benefice.

(2) The powers conferred by subsection (1) shall only be exercised with respect to the income of the endowments of any benefice (not being a benefice which ceases to exist by virtue of the scheme) in the following cases—

- (a) where the provision is to take effect during a vacancy or on the occurrence of a vacancy in the benefice;
- (b) where the incumbent of the benefice consents; or

- (c) where the benefice is to be held in plurality and the provision will only operate during the continuance of the plurality.
- (3) Any provision made under subsection (1) may be revoked, or may be varied so as to reduce the amount of the income payable under that subsection, by the Commissioners with the consent of the Bishop and the Board.
- (4) Subsection (5) applies where —
- (a) a benefice is dissolved by a pastoral scheme in consequence of a union of benefices, and
- (b) the Board holds —
- (i) money for expenditure on capital purposes in connection with a parsonage house for the benefice or
- (ii) money arising from or in connection with the disposal of a parsonage house of the benefice.
- (5) Paragraph 1 of Schedule 1 to the Ecclesiastical Offices (Terms of Service) Measure 2009 applies to all such money as it applies to money arising from the sale of a house of residence under that Schedule, with the modification that references to the benefice for which the money was held or to which the property belonged shall be construed as references to the new benefice created by the union.
- (6) Despite anything in that Schedule, a pastoral scheme may provide that any money arising from any sale or exchange of any part of the property of a benefice specified in the scheme, or so much of that money as may be so specified, shall be—
- (a) held by the Board for the benefit of any other benefice so specified; or
- (b) applied towards the payment of stipends of the clergy of the diocese; or
- (c) paid into the diocesan pastoral account; or
- (d) applied towards the provision, restoration, improvement or repair of —
- (i) a church,
- (ii) a place of worship within the meaning of paragraph 1 of Schedule 3,
- (iii) a parsonage house, or
- (iv) a house for a vicar in a team ministry, assistant curate or other person holding office under Common Tenure.

25. Supplementary provisions of pastoral schemes

(1) A pastoral scheme may contain such supplementary or consequential provisions as the Commissioners, with the agreement of the Bishop, think necessary or expedient for giving effect to the purposes of the scheme.

(2) A pastoral scheme shall, where the Commissioners consider it appropriate, have annexed to it a map or plan showing the changes made by the scheme.

(2) An amending pastoral scheme may provide for any matters for which provision could have been made by the scheme to be amended.

(3) A pastoral scheme, or any provision of it, may be revoked or amended under this section before it comes into operation.

Schedule 1 shall have effect, but without prejudice to the powers conferred by section 25(1).

28. Procedure for making pastoral schemes

Schedule 2 shall have effect with respect to the procedure for making pastoral schemes.

PART 3

MISCELLANEOUS AND GENERAL

Vacancies in benefices

29. Suspension of presentation for up to 5 years

(1) Where a benefice is vacant or is shortly to become vacant, the Bishop may, subject to the following provisions of this Measure, with the consent of the Commissioners, and after consultation with—

(a) the patron of the benefice, and

(b) the parochial church council of the parish or each of the parishes concerned,

give notice that during such period not exceeding 5 years as may be specified in the notice (the "suspension period"), the patron shall not exercise his right of presentation without the consent of the Commissioners and

(if he is not the ... patron) of the Bishop; and thereupon that right shall only be exercised in accordance with the notice during the suspension period.

(2) When consulting any person or body in accordance with subsection (1) the Bishop shall inform him or her or it of the reasons why he is considering whether he should exercise the power conferred by this subsection.

(3) The power conferred by subsection (1) may be exercised in relation to a benefice at any time within 3 months before the benefice is due to become vacant or at any time during the vacancy.

(4) Except where any consultation required by subsection (1) takes place at a meeting between the Bishop or his representative and the person or body to be consulted or his or its representative, that person must be advised that he may, within 28 days after receiving a request from the Bishop for his views about the giving of the notice under that subsection, request a meeting with the Bishop or his representative.

(5) Where such a request is made, the Bishop shall convene a meeting which all the persons whom he is required by that subsection to consult shall be invited to attend, either in person or by representatives, for the purposes of enabling those present to consult with the Bishop or his representative about the giving of the notice.

(6) The suspension period shall come to an end before the date on which it would otherwise expire —

- (a) if notice is given by the Bishop that the necessary consent or consents have been given to the exercise of the patron's right of presentation;
- (b) if notice is given by the Bishop with the consent of the Commissioners, terminating the suspension period; or
- (c) if a pastoral scheme provides for the holding of the benefice in plurality with another benefice or other benefices, or
- (d) if a pastoral scheme otherwise affecting the benefice expressly provides for the termination of the period.

(7) The termination shall take effect —

- (a) in the cases mentioned in subsection (6)(a) and (b), on such day, not being less than 14 days after the date of the notice, as may be specified in the notice, and
- (b) in the cases mentioned in subsection (6)(c) and (d), when the relevant provisions of the pastoral scheme come into operation.

(8) The Bishop may, before the expiration of a suspension period, by a further notice given with the same consent and after the same consultation as were required for the original notice given under subsection (1), extend the period for a further period not exceeding 5 years; and that power may be exercised from time to time before the expiration of any extension of a suspension period.

(9) After the expiration of a suspension period, the Bishop may, by a further notice given with the same consent and after the same consultation as were required for the original notice given under subsection (1), declare a new suspension period in relation to the vacancy.

(10) If the Bishop gives a notice under subsection (9), subsections (1), (2), and (4) to (8) apply in relation to any notice given and any suspension period declared under subsection (9) as they apply to a notice given and a suspension period declared under subsection (1).

(11) A notice given by the Bishop under this section must be given to—

- (a) the diocesan registrar,
- (b) the Commissioners,
- (c) the patron of the benefice, unless the only patron is the Bishop,
- (d) the parochial church council of the parish or each of the parishes concerned, and
- (e) the sequestrators;

and a copy of the notice shall be filed in the diocesan registry.

(12) The diocesan registrar must, not earlier than 6 months and not later than 3 months before any suspension period declared under this section is due to expire, other than a suspension period which comes to an end before the date on which it would otherwise expire under subsection (7), give notice to the Bishop and to Commissioners of the date on which the suspension period is due to expire.

(13) The secretary of the parochial church council to which any such notice is given must forthwith cause a copy of it to be affixed at or near to the door of a parish church or, if there is no parish church, of the principal place of worship in the parish.

NOTE S.29: subs.(1): word omitted by Patronage (Amendment) Measure (Isle of Man) 2015 Sch. para.14.

30. Sequestration of profits, appointment of priest in charge and management of property

(1) Where the Bishop has declared a suspension period in respect of any benefice

under section 29, he shall during that period sequester the profits of the benefice.

(2) The sequestrators shall, subject to and in accordance with the directions of the Bishop, make provision for the performance during the suspension period of the ecclesiastical duties of the benefice, and before giving any such directions the Bishop shall consult the parochial church council of the parish or each of the parishes concerned and, so far as is reasonably practicable, the patron of the benefice.

(3) Where the Bishop proposes to appoint a priest in charge for any benefice to which a suspension period applies, he shall before making the appointment consult the parochial church council of the parish or each of the parishes concerned and, so far as is reasonably practicable, the patron of the benefice.

(4) Where the Bishop appoints a priest in charge for any benefice to which a suspension period applies, the Bishop may require the priest to reside in the parsonage house of the benefice.

(5) Schedule 5 shall have effect with respect to the management of the benefice property and the application of the profits of the property during any suspension period.

NOTE Provision is also made by the Church Act 1969 s.5 for the appointment of sequestrators during a vacancy.

31. Restrictions on presentation pending the making of pastoral schemes

(1) Where —

- (a) any proposals are approved under section 3(1),
- (b) the proposals contain recommendations for any of the matters specified in sections 7 to 12, and
- (c) any benefice which would be affected if the recommendations were implemented —
 - (i) is vacant on the date on which the patron of it is sent a copy of the proposals under section 3(3), or
 - (ii) becomes vacant thereafter,

the patron is not entitled after that date or after the occurrence of the vacancy, as the case may be, to exercise his right of presentation to the benefice without the consent of the Commissioners and (if he is not the patron) of the Bishop, until the first of the events mentioned in subsection (5) occurs.

(2) Where the Bishop has given directions to the Commissioners under section 5(3) to consider in relation to any benefices any of the matters specified in sections 7 to 12, he may,

upon a vacancy or impending vacancy in any of those benefices, notify—

- (a) the patron, unless the only patron is the Bishop, and
- (b) the parochial church council,

that those matters are being considered, and thereupon the patron shall not be entitled to exercise his right of presentation to that benefice without such consent or consents as are specified in subsection (1); and section 7 of the Patronage (Benefices) Measure 1986 applies subject to the modifications made by section 32.

(3) Subject to subsection (4), a restriction imposed by subsection (2) shall cease to operate at the expiration of one year from the date of the notice.

(4) If within that period proposals are approved under paragraph 3(1) of Schedule 2 containing recommendations for any of the matters specified in subsection (1) or (3) which would affect the benefice concerned, the restriction shall continue until the first of the events mentioned in subsection (5) occurs.

(5) The events referred to in subsections (1) and (4) are —

- (a) the relevant recommendations are implemented by a pastoral scheme and come into operation, in which case the right of presentation shall be subject to the provisions of the scheme;
- (b) the proposals are withdrawn or the draft scheme prepared in pursuance of them is withdrawn, or the scheme made in pursuance of them is withdrawn or quashed;
- (c) the relevant recommendations are omitted from the proposals, draft scheme or scheme; or
- (d) the expiry of the period of 3 years from the date referred to in subsection (1)(c)(i) or subsection (3), as the case may be.

(6) Where —

- (a) an application is made under paragraph 7(2) of Schedule 2 with respect to a scheme which implements the relevant recommendations, and
- (b) the application has not been determined or withdrawn within the period referred to in paragraph (d) of subsection (5),

that paragraph shall have effect as if that period had been extended to the date on which the application is determined or withdrawn.

(7) The fact that restrictions are in force under this section with respect to any benefice shall not be taken as preventing the Bishop from exercising his powers under sections 29 and 30 with respect to the benefice, and, if he

does so, those sections and Schedule 5 shall apply to the benefice instead of this section.

32. Modification of 1986 Measure where presentation is suspended or restricted

(1) The following provisions of this section apply where, in respect of any benefice —

- (a) the Bishop declares a suspension period, or
- (b) any restriction imposed by or under any provision of section 14 or 31 comes into force.

(2) Except as provided in this section, no notice under section 7 of the Patronage (Benefices) Measure 1986 of a vacancy or impending vacancy in that benefice shall be given during the suspension period or while the restriction is in force, as the case may be.

(3) Any such notice relating to that benefice given before the suspension period began or the restriction came into force, as the case may be, shall be treated as having been revoked and any act done under that Measure consequent upon that notice shall be of no effect.

(4) That benefice shall be treated for the purposes of that Measure as becoming vacant immediately after the day on which the suspension period comes to an end or the restriction ceases to be in force, as the case may be, but if a further suspension period is declared, the benefice shall no longer be treated as vacant.

(5) As soon as practicable after he becomes aware of the vacancy, the Bishop shall give notice of that fact to the diocesan registrar, and section 7(4) of that Measure shall apply as it applies to a notice under section 7(1) or (2), except that —

- (a) if the suspension period will come to an end as a result of a notice given by the Bishop under section 29(6), the notice referred to in this section may be given by the Bishop at the same time as the notice under section 29(6); and
- (b) in any other case the notice may be given not more than 14 days before the suspension period will end or the restriction will cease to be in force, as the case may be.

33. Suspension of new rights of patronage

Where —

- (a) any proposals approved under section 3(1) contain recommendations for the creation of a new benefice for a new parish, and
- (b) any church in the area which is to form the new parish is consecrated after the proposals are so approved but before any

of the events mentioned in section 31(5) have occurred in relation to those recommendations,

no person shall become the patron of that church by virtue of any rule of law or any provision of or instrument under any Act or Measure other than this Measure during the period between the approval of the recommendations and such one of those events as first occurs.

34. Trusteeship of certain charities during vacancy or suspension

(1) Where —

- (a) any property of a charity established for ecclesiastical purposes of the Church of England is vested in or under the management or control of the incumbent of a benefice (with or without other persons) or a corporation of which the incumbent of a benefice is a member, and
- (b) the benefice becomes vacant or the Bishop declares a suspension period in respect of the benefice,

during the period of the vacancy or the suspension period, as the case may be, the trusts of the charity or the constitution of the corporation has effect with the substitution for the incumbent of that benefice of the priest in charge of that benefice.

(2) Subsection (1) does not apply to any fund or property for which provision is made under paragraph 17 of Schedule 3.

Financial provisions

35. Pastoral account

(1) The Board shall hold an account to be called the diocesan pastoral account and shall transfer to the account—

- (a) any money which is payable to the account under any provisions of this Measure or any scheme made under it;
- (b) such other money as the Board determine should be credited to the account, not being money for the application or disposal of which provision is made by or under any other statutory provision.

(2) The Board must —

- (a) as soon as practicable after the end of each financial year of the Board prepare an account of the money paid into or out of the diocesan pastoral account during that year;
- (b) include in it a statement of the amount by which the diocesan pastoral account was in debit or credit, as the case may be, at the beginning and end of that year; and

- (c) lay a copy of the account before the Diocesan Synod.

36. Payment of expenses from diocesan pastoral account and application of money

(1) Expenses incurred by or on behalf of, or under the authority or direction of, the Bishop or the Commissioners for the purposes of this Measure or any scheme made must be paid out of the money standing to the credit of the diocesan pastoral account so far as that money suffices, but any such expenses may not include the salaries or wages of persons in the regular employment of the Bishop, any board or committee of the diocese, or the Commissioners, or any part of any such salaries or wages.

(2) The Board shall be entitled to be repaid out of the diocesan pastoral account any money expended by the Board on any property vested by or under this Measure in the Board for the purpose of furthering the disposal or use of the property.

(3) Where the Board is satisfied that any money standing to the credit of the diocesan pastoral account is not required or likely to be required for meeting the expenses or expenditure referred to in this section, it may—

- (a) apply that money by way of grant or loan to the provision, restoration, improvement or repair of churches and parsonage houses in the diocese, including the repair of any building closed for regular public worship vested in the Board pending the coming into operation of arrangements under a disposal scheme, or to other purposes of the diocese or any benefice or parish in the diocese;
- (b) apply that money towards the payment of stipends of the clergy of the diocese; or
- (c) transfer that money to one or more other accounts or funds held by the Board, or apply or transfer it partly to such other accounts or funds and partly as provided in paragraphs (a) and (b).

37. Compensation of clergy

(1) The provisions of Schedule 6 have effect for the purpose of—

- (a) conferring rights to compensation on incumbents of benefices and [vicars in team ministries] whose benefices or offices are dissolved, abolished, vacated or resigned in the circumstances specified in that Schedule, and
- (b) determining claims to such compensation;

and for other matters relating such rights and claims.

(2) Subsection (1) and Schedule 6 have effect in relation to a deacon [to whom section 9(4A) applies] as they have effect in relation to a vicar in a team ministry.

(1) Subject to sub-paragraph (2), on a union of parishes by virtue of a pastoral scheme the persons residing within the limits of the parish created by the scheme shall have the rights and privileges (if any) of parishioners in respect of burials in that parish.

(2) Any such parishioner who, before the union took effect, had any rights of burial in a churchyard within the limits of a constituent parish shall, so long as that churchyard remains open for interments, continue to have those rights and shall not become entitled by virtue of the union to rights of burials in any other churchyard.

(3) On the creation, otherwise than by union, of a new parish by a pastoral scheme, the persons residing within the limits of the new parish shall continue to have the same rights and privileges in respect of burials which they enjoyed before the creation of the new parish, but such rights shall cease when they obtain rights of burial as parishioners of the new parish.

(4) Where, by virtue of a pastoral scheme providing for the alteration of parochial boundaries, any persons come to reside within a different parish, they shall have such rights and privileges in respect of burials as are possessed by parishioners of that different parish and not any others

(6) The Commissioners may, before or after the end of the period within which written representations may be made under this paragraph, extend that period, and any representations made within the period so extended shall be treated as duly made.

5. Amendment of draft schemes

(1) The Commissioners—

- (a) at the request of the Bishop, or
- (b) as a result of any representations,

may, with the consent of the Bishop, at any time amend any draft scheme prepared under this Schedule.

(2) If any such amendments (other than amendments described in paragraph 9(1)) are made after a copy of the draft scheme has been served under paragraph 4(1), the amended draft scheme shall be treated in the same manner as an original draft scheme, and paragraph 4 shall apply accordingly.

6. Making of schemes

(1) Where —

- (a) no representations with respect to any such draft scheme have been duly made and the Commissioners are of the opinion that the draft scheme should be made, and do not propose to amend or further amend it under paragraph 5, or
- (b) representations with respect to any such draft scheme have been duly made and the Commissioners, having considered those representations, are of the opinion

7. Validity and operation of schemes

(1) Except as provided by this paragraph, the validity of a scheme made by the Commissioners under this Schedule shall not be questioned in any legal proceedings.

(2) If any person aggrieved by the scheme desires to question the validity of the scheme on the ground —

(a) that it is not within the powers conferred by this Measure, or

(b) that any requirement of this Schedule has not been complied with in relation to the preparation, making or publication of the scheme,

that person may, within 6 weeks of the first publication of the notice referred to in paragraph 6(2)(a), apply to the High Court.

(3) On an application under sub-paragraph (2) the High Court —

8. Withdrawal of scheme at request of Bishop

If the Bishop considers that any proposals or draft scheme should not be proceeded with, he may, after consulting the Commissioners, direct the Commissioners not to proceed with the proposals or draft scheme, as the case may be, but without prejudice to the making of fresh proposals.

9. Supplementary powers of Commissioners

(1) The Commissioners may at any time make such amendments to proposals or a draft scheme as appear to them to be necessary for the purpose of correcting any drafting mistake or omission.

SCHEDULE 3 BUILDINGS CLOSED FOR REGULAR PUBLIC WORSHIP PART 1 PROVISIONS WHICH MAY BE MADE BY PASTORAL SCHEME

1. Appropriation or demolition of church to be closed for regular public worship

(1) This paragraph applies where the Commissioners —

(a) are satisfied that a new church or place of worship is to be provided in the area of a benefice to take the place of a church building or church buildings in that area which should thereupon be declared closed for regular public worship, and

(b) are satisfied with the proposals made for the future of the church building or any of the church buildings to be closed.

(2) A pastoral scheme may further provide—

(a) for the appropriation of the building to be closed in accordance with paragraph 4(1)(a) or for its demolition, and for any of the matters mentioned in paragraph 4(2), (3) or (4);

(b) for the payment to the Board of —

(i) the proceeds of any sale or exchange of the building or the site of it, or any part of the building or site, with or without any land annexed or belonging to it, and

(ii) the premium on any lease or licence of the building or site or any part of the building or site with or without any such land; and

(c) subject to sub-paragraph (6), for the application of the net proceeds and net premiums to defray the cost of providing the new church or place of worship and, if the whole amount of them is not required for that purpose, for the payment of the balance to the diocesan pastoral account.

(3) A pastoral scheme which provides for the demolition of a building closed for regular public worship may provide for its demolition by the Board.

(4) Where a pastoral scheme makes such provision as is mentioned in sub-paragraph (2), the declaration of closure for regular public worship shall not take effect until the new church or place of worship is provided.

(5) Sub-paragraph (4) does not apply where the Commissioners are satisfied that, if the church or any of the churches to be replaced is disposed of or demolished before the new church or place of worship is provided, a suitable building will be available in the meantime (not necessarily in the same parish) for use in place of that church.

(6) Where before a declaration of closure for regular public worship is made by a pastoral scheme under this paragraph in respect of a church which —

(a) was the subject of a sharing agreement, and

(b) on the termination of the agreement was vested in an incumbent and churchwardens by section 9(3) of the Sharing of Church Buildings Act 1969,

any contribution in the nature of capital made in accordance with the agreement by any party to it, other than a party acting on behalf of the Church of England, or so much of it as the Commissioners may determine, may be repaid to that party by the Board out of the proceeds of any sale or exchange, or the premiums on any lease or licence, of that church, any part of that church, or the site of it before the net proceeds or net premiums, as the case may be, are applied in accordance with sub-paragraph (2)(c).

(5) References in this paragraph to the provision of a new place of worship include references to the provision of such a place by adapting, improving or repairing an existing building.

(6) In this paragraph "place of worship" —

(a) means a building licensed by the Bishop for public worship in accordance with the rites and ceremonies of the Church of England, being a building used wholly for the purposes of such worship and purposes ancillary thereto, or partly for those purposes and partly for other ecclesiastical purposes of the parish or purposes ancillary thereto, and

(b) includes a building which, pursuant to an agreement under the Sharing of Church Buildings Act 1969, is to be used as a place of worship jointly with another Church and is to be owned by the Church of England only or to be jointly owned by that Church and any other Church.

2. Other provision by pastoral scheme for church to be closed for regular public worship

(1) This paragraph applies where a pastoral scheme makes a declaration of closure of a church for regular public worship in respect of any church or part of a church, not being a case to which paragraph 1 applies.

(2) Where the Commissioners are satisfied that a suitable use or uses will be available for the building to be closed for regular public worship when the declaration takes effect, the pastoral scheme may —

(a) provide for the appropriation of the building to that use or those uses, and

(b) may make further provision for any of the matters mentioned in paragraph 4(2),

and paragraph 4(5) to (7) shall apply accordingly.

(3) Where the Commissioners are satisfied that no suitable or appropriate alternative use will be available for the building to be closed for regular public worship when the declaration takes effect, the pastoral scheme may, with the consent of Manx National Heritage, provide —

- (a) for its care and maintenance by Manx National Heritage, and
- (b) also for the care and maintenance by Manx National Heritage of the whole or any part of the land annexed or belonging to the building or the church of which the building is part (including land which is or has been used for burials).

(4) Where —

- (a) the church is neither a registered building nor situated in a conservation area, and
- (b) the Commissioners are satisfied with the proposals for the future of the building,

the pastoral scheme may provide for the demolition of the building to be closed for regular public worship and for any of the matters for which paragraph 4(4) makes provision, and paragraph 4(5) to (7) shall apply accordingly.

PART 2

DISPOSAL OF BUILDINGS CLOSED FOR REGULAR PUBLIC WORSHIP

3. Period for seeking alternative use

(1) Where a declaration of closure for regular public worship is made in a case to which neither paragraph 1 nor paragraph 2 applies, the building closed for regular public worship, together with its contents, when the declaration takes effect, shall vest in the Board.

(2) During the period between the taking effect of a declaration of closure for regular public worship and the coming into operation of a disposal scheme with respect to the building closed for regular public worship—

- (a) the Board is responsible for the care and maintenance of the building closed for regular public worship, so far as is reasonable in all the circumstances, and the safe keeping of its contents, whether in the building or elsewhere, and must insure the building and contents;
- (b) the Board may without obtaining a faculty, but after consulting the advisory committee and the Vicar General (unless the Board considers that, having regard to the urgency of the need to safeguard the contents, it is not practicable to do so), transfer the contents of the building or any of them to some other place for safe keeping until the scheme comes into operation;

(c) the Board may with the consent of the Bishop and of the incumbent or priest in charge of the benefice in the area of which the building is situated, permit the building to be used occasionally for worship, including worship by persons belonging to other Christian Churches;

(d) while incurring no financial obligation, the incumbent or priest in charge and churchwardens of the parish in which the building is situated shall give the Board every assistance in providing for reasonable supervision of the building against damage.

(3) On a declaration of closure for regular public worship taking effect, any liability of a parochial church council or rector (including a lay rector) for the repair and maintenance of the building closed for regular public worship and the safe keeping of its contents ceases, and Part 1 of the Church Act 1979 ceases to apply to the building.

(4) Where the Board transfers any of the contents of the building closed for regular public worship to some other place, the Board must —

- (a) serve a notice on the Commissioners, Manx National Heritage and the diocesan registrar informing them of the transfer and giving particulars of the contents transferred and the address of the place in question, and
- (b) serve a similar notice on any incumbent, priest in charge, parochial church council or sequestrators concerned.

4. Contents of disposal schemes

(1) A disposal scheme must make the following provision for the building closed for regular public worship —

- (a) if a use or uses appearing to the Commissioners to be suitable have been found for the building or any part of it, the scheme may provide for appropriating the building or part to such use or uses, which must be specified or generally described in the scheme;
- (b) if such use or uses cannot be found for the building or a part of it, the scheme may, with the consent of Manx National Heritage, provide for its care and maintenance by Manx National Heritage.
- (c) if the building or any part of it is not appropriated or provided for under paragraph (a) or (b), the scheme may, with the consent of the Board, provide for the building or any part of it to remain vested in the Board and to be held by it on

- such terms as may be specified in the scheme;
- (d) if the building or any part of it is not appropriated or provided for under (a) to (c) above, the scheme must provide for its demolition by the Board.
- (2) Where a disposal scheme provides for the appropriation of the building closed for regular public worship or any part of it to a use or uses specified or described in the scheme, the scheme may also—
- (a) provide for appropriating the whole or any part of the land annexed or belonging to the building or the church of which it forms part, to a use or uses so specified or described;
- (b) empower the Board itself —

- (ii) to let or license the property for such use or uses, or
- (iii) partly the one and partly the other;
- (c) empower the Board, subject to any conditions prescribed by the scheme, to sell, give or exchange the property concerned or any part of it for such use or uses.
- (3) Where a disposal scheme provides for the building closed for regular public worship or any part of it to remain vested in the Board, the scheme may also —
- (a) provide for appropriating the whole or any part of the land annexed or belonging to the building, or the church of which it forms part, to a use or uses specified or described in the scheme;
- (b) empower the Board itself —
- (i) to use or hold the property concerned for the use or uses so specified or described;
- (ii) to let or license the property for such use or uses, or

- (c) empower the Board, subject to any conditions prescribed by the scheme, to sell, give or exchange that land or any part of it for such use or uses;
- (d) transfer to the Board responsibility for the care and maintenance of that land or any part of it (including land which is or has been used for burials).
- (4) Where a disposal scheme provides for the demolition of the building closed for regular public worship or any part of it, it may also provide—
- (a) for the sale, gift, exchange or lease by the Board, as the case may be, of the site or part of the site of the demolished building or part of the building, with or without the whole or any part of the land annexed or belonging to the building or to the church of which it forms part;
- (b) for the disposal of the materials arising from the demolition;
- (c) for specifying the use or uses for which any land sold, given, exchanged or let by the Board is to be used or allowing it to be used without limitation;
- (d) for appropriating the site or any part of it for use as part of the churchyard or burial ground or for other ecclesiastical purposes of the parish.
- (5) Subject to sub-paragraph (7), the proceeds of any sale or exchange under sub-paragraph (2), (3) or (4) and the premiums on any lease or licence under those sub-paragraphs shall be paid to the Board who shall pay them to the diocesan pastoral account, and the net rent payable under any such lease or licence shall be paid into the said account.
- (6) Sub-paragraph (7) applies where —
- (a) before a declaration of closure for regular public worship was made in respect of a church or part of a church that church or part was the subject of a sharing agreement under the Sharing of Church Buildings Act 1969,
- (b) on the termination of the agreement it was vested in an incumbent and churchwardens by section 9(3) of that Act, and
- (c) a contribution in the nature of capital was made in accordance with the agreement by any party to it, other than a party acting on behalf of the Church of England.
- (7) Where this sub-paragraph applies, the Board shall repay to that party out of the proceeds of any sale or exchange, or the premiums of any lease or licence, of that church or part or the site if it under sub-paragraph (2), (3) or (4) —
- (a) that contribution, or
- (b) so much of it as the Commissioners may determine,
- before the net proceeds or net premiums, as the case may be, are paid or applied in accordance with sub-paragraph (5).
- (8) Where —
- (a) a pastoral scheme makes a declaration of closure for regular public worship in respect of a church,

- (b) the Commissioners are satisfied that a new church or place of worship is to be provided in the area of the benefice in which the first-mentioned church is situated to take the place of that church, and
- (c) a subsequent disposal scheme which makes provision, within the period of 3 years from the declaration of closure or such longer period as the Commissioners may allow, for the building closed for regular public worship also provides for any of the matters authorised to be included in the scheme by sub-paragraph (2)(b) or (c), (3)(b) or (c) or (4)(a) or (b)—

the proceeds of any sale or exchange made, and the premiums of any lease or licence granted, by virtue of those provisions shall be paid to the Board in accordance with sub-paragraph (5), but the net proceeds and net premiums shall be applied in accordance with paragraph 1(2)(c) and not in accordance with sub-paragraph (5).

(9) Where a disposal scheme provides for the care and maintenance of the building closed for regular public worship or any part of it by Manx National Heritage, the scheme may also, with the consent of Manx National Heritage, provide for the care and maintenance by Manx National Heritage of the whole or any part of the land annexed or belonging to the building or the church of which the building is part (including any land which is or has been used for burials).

(10) For the purposes of this paragraph and of paragraphs 1 and 2, and without prejudice to the generality of those provisions —

- (a) the use of a building or part of a building for such special or occasional religious worship as may be authorised by the Bishop,
- (b) its use as a place of religious worship for a university, college, school or other institution, or
- (c) its use for religious worship by any Church other than the Church of England,

shall be a use to which a building closed for regular public worship or a part of it may be appropriated by a pastoral scheme or disposal scheme, and the consent of the incumbent or priest in charge of the benefice in the area of which the building is situated shall not be required for any such use.

(11) Section 25 applies to disposal schemes as it applies to pastoral schemes, with the omission of the reference to the agreement of the Bishop.

5. Procedure for making disposal schemes

(1) The Commissioners may at any time, and shall in any case not later than 2 years after the declaration of closure for regular public worship takes effect, prepare a draft scheme with respect to the building closed for regular public worship providing for any of the matters mentioned in paragraph 4.

(2) If before the end of the period of 2 years it is found to be impracticable to prepare the draft scheme before that period expires, and it seems to the Commissioners, after consulting the Board, reasonable to do so, they may, with the consent of the Bishop, postpone the preparation of the draft scheme for such minimum further period or periods as they find to be necessary.

(3) Before preparing any such draft scheme which provides for the demolition or the care and maintenance by Manx National Heritage of the building closed for regular public worship or any part of it the Commissioners shall consult Manx National Heritage.

(4) If they decide to proceed with the draft scheme, the Commissioners shall serve a copy of the draft scheme on —

- (a) the Board;

(6) The Commissioners shall consider any representations duly made with respect to the draft scheme and any unforeseen change of circumstances affecting its implementation, and may decide not to proceed with it or to amend it or to proceed with it in its original form.

(7) The Commissioners may, if they think fit, afford an opportunity to any person, whether he has made written representations or not, to make oral representations with respect to the draft scheme.

(8) The Commissioners may, before or after the period within which written representations may be made under this paragraph, extend that period, and any representations made within the period so extended shall be treated as duly made.

(9) The Commissioners may at any time make such amendments to the draft scheme as may appear to them to be necessary for the purposes of correcting any drafting mistake or omission.

(10) If the Commissioners decide to proceed with the draft scheme, they shall make the scheme under their common seal, with such amendments (if any) as they may have made in it.

(11) If the Commissioners decide in accordance with sub-paragraph (6) not to proceed with a draft scheme, they shall as soon as possible prepare a new draft scheme, and sub-paragraphs (2) to (10) apply.

(12) Paragraphs 6(2)(e) and (4) and 7 of Schedule 2 apply, with the necessary modifications, to schemes under this paragraph as they apply to pastoral schemes.

6. Disposal schemes in respect of churches closed or demolished otherwise than under this Measure

(1) Where any church or part of a church has at any time been demolished otherwise than under this Part, a disposal scheme providing for all or any of the matters mentioned in paragraph 4(4) may, at any time after the demolition, be prepared and made in accordance with paragraph 5(3) to (10), and paragraph 5(12) applies.

(2) Subject to sub-paragraph (4), where by virtue of sub-paragraph (1) a disposal scheme provides for any of the matters mentioned in paragraph 4(4)(a), paragraph 4(5) applies in relation to —

- (a) the proceeds and net proceeds of any sale or exchange, and
- (b) the premiums and net premiums on any lease,

of the site or part of the site of the church or part of the church to which the scheme applies as it applies where a disposal scheme which provides for the demolition of a building closed for regular public worship also provides for any of those matters.

(3) Where the Commissioners are satisfied that a new church or place of worship is to be provided in the area of the benefice in which a demolished church was situated, to take the place of the demolished church, the net proceeds and the net premiums shall be applied in accordance with paragraph 1(2)(c).

7. Compulsory purchase of church

(1) This paragraph applies where a church, other than a church which has been declared closed for regular public worship, is purchased compulsorily or is purchased by agreement under an enactment conferring powers of compulsory purchase.

(2) For the purpose of any enactment applying to the disposal of sums paid to the Board in respect of —

- (a) the purchase of the church or any land annexed or belonging to it, or
- (b) compensation for damage to other ecclesiastical property arising in connection with the purchase,

the provisions of this Part relating to the disposal of the proceeds of sale of a building closed for regular public worship or any land annexed or belonging to a building closed for regular public worship shall not be applicable.

8. Amendment of disposal schemes etc.

(1) A disposal scheme, and any provisions of a pastoral scheme made under paragraph 1 or 2, may be amended by a subsequent disposal scheme prepared and made in accordance with paragraph 5(3) to (10), and paragraph 5(12) shall apply.

(2) An amending disposal scheme may —

- (a) revoke all or any provisions of the previous disposal scheme or any such provisions of a pastoral scheme, as the case may be,
- (b) substitute or add other provisions providing for any of the matters mentioned in paragraph 4, so far as applicable, and
- (c) contain such transitional provisions as the Commissioners think necessary or expedient in consequence of the changes made by the amending scheme.

(3) A disposal scheme or any provision of it, and any provision of a pastoral scheme made under paragraph 1 or 2, may be amended or revoked under this paragraph before it comes into operation.

9. Restoration of building closed for regular public worship to use as church building

(1) A pastoral scheme may provide that a building closed for regular public worship or part of such a building which is vested in the Board shall be restored to use as a church or part of a church.

(2) Such a scheme may further provide—

- (a) for designating the church as a parish church or chapel of ease;

- (b) for vesting the building or part, with or without any land vested with the building or part, in the incumbent of the benefice in the area of which, and the churchwardens of the parish in which, it is situated, or in such other person as may be specified in the scheme;
- (c) for such transitional, supplementary or consequential matters as the Commissioners think necessary or expedient;
- (d) for revoking the declaration of closure for regular public worship and revoking or amending any provisions, whether in a pastoral scheme or disposal scheme, made under this Schedule in relation to the building or part of the building closed for regular public worship.
