**9. References to Tribunal**

- (1) Where the officer nominated under regulation 3 does not give an office holder a statement as required by regulation 3 or 6 or where the office holder is not given a statement as required by regulation 8 (either because the person or body concerned gives no statement or because the statement which is given does not comply with what is required), the office holder may require a reference to be made to the Tribunal to

determine what particulars ought to have been included or referred to in a statement so as to comply with the requirements of the provision concerned.

(2) Where—

- (a) a statement purporting to be a statement under regulation 3 or 6, or a statement of stipend purporting to comply with regulation 8, has been given to an office holder; and
- (b) a question arises as to the particulars which ought to have been included or referred to in the statement so as to comply with the requirements of this Part of these Regulations;

either the person or body concerned or the office holder may require the question to be referred to and determined by the Tribunal.

(3) For the purposes of this paragraph—

- (a) a question as to the particulars which ought to have been included in the note required by regulation 5 to be included in the statement under regulation 3 does not include any question whether the office is, has been or will be treated as contracted-out employment (for the purposes of Part III of the Pensions Schemes Act 1993); and
- (b) a question as to the particulars which ought to have been included in a statement of stipend does not include a question solely as to the accuracy of an amount stated in any such particulars.

(4) The Tribunal shall not consider a reference under this regulation in a case where the appointment to which the reference relates has ended unless an application requiring the reference to be made was made—

- (a) before the end of the period of 3 months beginning with the date on which the appointment ended; or
- (b) within such period as the Tribunal considers reasonable in a case where it is satisfied that it was not reasonably practicable for the application to be made before the end of that period of 3 months.

## **10. Determination of references**

- (2) On determining a reference under regulation 9(2) relating to a statement purporting to be a statement under regulation 3 or 6, the Tribunal may—
- (a) confirm the particulars as included or referred to in the statement given by the person nominated under regulation 3;
  - (b) amend those particulars; or
  - (c) substitute other particulars for them,
- as the Tribunal may determine to be appropriate; and the statement shall be deemed to have been given by that person to the office holder in accordance with the decision of the Tribunal.
- (3) Where on a reference under regulation 9 the Tribunal finds—
- (a) that the person or body responsible has failed to give an office holder a statement of stipend in accordance with regulation 8; or
  - (b) that a statement of stipend does not, in relation to any deduction, contain the particulars required to be included in that statement by that regulation;
- the Tribunal shall make a declaration to that effect.
- (4) Where on a reference in a case to which paragraph (3) applies the Tribunal further finds that any un-notified deductions have been made from the stipend of the office holder during the period of 13 weeks immediately preceding the date of the application for the reference (whether or not the deductions were made in breach of the terms and conditions of the appointment), the Tribunal may order the person or body who or which is responsible for the payment of the stipend to pay the office holder a sum not exceeding the aggregate of the un-notified deductions so made.
- (5) For the purposes of paragraph (4) a deduction is an un-notified deduction if it is made without the person or body concerned giving the office holder, in any statement of stipend, the particulars of the deduction required by regulation 8.

- (2) During the first calendar year of the appointment, the amount of leave which an office holder may take at any time in exercise of the entitlement under paragraph (1) is limited to the amount which is deemed to have accrued in his or her case at that time under paragraph (3), as modified by paragraph (4) where that paragraph applies, less the amount of leave (if any) that he or she has already taken during that year.
- (3) For the purposes of paragraph (2) leave is deemed to accrue over the course of the first year of the appointment at a rate which is proportionate to the proportion of the calendar year remaining after the date on which the appointment begins.
- (4) Where the amount of leave that has accrued in a particular case includes a fraction of a day the fraction shall be treated as a whole day.
- (5) For the purposes of paragraph (1), the amount of leave allowed by that paragraph shall exclude any period of special leave allowed by the Bishop (or in the case of the Bishop, the archbishop of York), including any such leave granted for the purposes of removal and re-settlement.

## EXPLANATORY NOTE

*(This note is not part of the Regulations.)*

These Regulations make provision for the terms of service of the holders of ecclesiastical office who under the Ecclesiastical Offices (Terms of Service) Measure 2009 are subject to Common Tenure. They confer rights on office holders which, in many respects, are comparable to those enjoyed by employees.

Part 2 confers entitlements on office holders to be given particulars of the terms of their appointment and information about disciplinary, capability and grievance procedures.

Part 3 confers on a full-time stipendiary office holder a right to be paid a stipend of not less than the National Minimum Stipend and sets out the rights and obligations of office holders and the Sodor and Man Diocesan Board of Finance with regard to accommodation. The office holder is given the right to object to certain transactions proposed to be carried out in relation to a house of residence occupied by the office holder and provision is made for the resolution of disputes.

Part 4 makes provision for the ministerial development review, education and training of office holders.

Part 5 confers entitlements to time off work for maternity, paternity, parental and adoption leave, time off to care for dependants and time off for the performance of public duties, and makes provision for sickness.

Part 6 relates to fixed and limited term appointments and makes provision for the compensation of office holders whose office is potentially affected by pastoral schemes or orders under the Pastoral Measure 1983.

Part 7 provides for procedures for assessing the capability of an office holder to perform his or her duties.

Part 8 confers a right on an office holder who has not reached the retirement age not to be unfairly dismissed where his or her appointment has been terminated following the application of the capability procedures. Part X of the Employment Act 2006 is applied, with modifications, so as to enable an office holder to have a claim for unfair dismissal heard by the Employment Tribunal.
