3.2 Undertaking matters in List A without a faculty

An authorised person may undertake any matter prescribed in the first column of Table 1 in Schedule 1 ("List A") without a faculty subject to any conditions that are specified in relation to that matter in the corresponding place in the second column of the Table.

3.3 Undertaking matters in List B without a faculty

- (1) An authorised person may undertake any matter prescribed in the first column of Table 2 in Schedule 1 ("List B") without a faculty —

 - (b) subject to —
 - (i) any conditions that are specified in relation to that matter in the corresponding place in the second column of Table 2; and
 - (ii) any additional conditions imposed by the Archdeacon under paragraph (2)(b).

- (2) Where the Archdeacon is consulted under paragraph (1)(a) on the proposal to undertake a matter, the Archdeacon —

- (1) An order made by the Vicar General under section 78(1) of the Measure (which provides that, in addition to the matters prescribed in List A and List B, any matter specified in the order may be undertaken without a faculty) is known as "an additional matters order".

3.5 Excluded matters — general

- (1) Rules 3.2 to 3.4 do not permit the undertaking of any of the following matters—
 - (a) any works which involve alteration to or the extension of a registered building to such an extent as would be likely to affect its character as a building of special architectural or historic interest;
 - (b) any works which are likely to affect the archaeological importance of a building or any archaeological remains within a building or its curtilage;
 - (c) any works in respect of all or part of which the consent of the Manx Museum and National Trust is required under section 12 of the Manx Museum and National Trust Act 1959 (an Act of Tynwald);
 - (d) any works which involve extension, demolition or partial demolition of a building, or the erection of a new building;
 - (e) any matter which gives rise to a question of law or of doctrine, ritual or ceremonial or which would, if undertaken, affect the legal rights of any person;

- (2) The reference in paragraph (1)(e) to a matter affecting the legal rights of a person does not include a reference to the grant of a licence for the grazing of a churchyard by livestock.
- (3) Where it is proposed to undertake a matter which falls within paragraph (1) a faculty (or an interim faculty under Part 15) must be sought.

3.6 Excluded matters orders

- (1) An order made by the Vicar General under section 78(3) of the Measure (which provides, in respect of a parish, church, churchyard or other building or place in the diocese, that a matter specified in the order may not be undertaken without a faculty even though it is prescribed in List A or List B) is known as "an excluded matters order".
- (2) The registrar must —
 - (a) register every excluded matters order (or order that varies or revokes an excluded matters order) in the registry;
 - (b) arrange for its publication on the diocesan website;
 - (c) send a copy to —
 - (i) the minister and churchwardens of any parish affected by the order;
 - (ii) the Archdeacon; and

- (3) Any churchwardens who are sent a copy of an excluded matters order (or order that varies or revokes an excluded matters order) by the registrar of the diocese must keep it with the inventory, and insert a copy in the log book, maintained by them under section 49 of the Measure.
- (4) Where the Vicar General has made an excluded matters order and it is proposed to undertake a matter specified in the order in respect of the parish, church, churchyard or other building or place in the diocese to which the order relates, a faculty (or an interim faculty under Part 15) must be sought.

3.7 Jurisdiction of consistory court

- (1) The fact that a matter may be undertaken without a faculty under this Part does not prevent the court from exercising its jurisdiction in respect of the matter.
- (2) The court may accordingly grant a faculty or make an order which permits the undertaking of the matter (whether subject to conditions or otherwise) or restricts or prevents the undertaking of the matter.
- (3) A matter may not be undertaken without a faculty under this Part if undertaking that matter would be in breach of —
 - (a) any condition subject to which a faculty has been granted,
 - (b) the terms of any injunction or restoration order, or
 - (c) the terms of any undertaking given to the court.

3.8 Determination of questions

- (1) Any question as to whether a particular matter is or is not a matter that may be undertaken without a faculty under this Part is to be determined by the Vicar General.
- (2) The determination may be made by the Vicar General on his or her own initiative or on the application of—
 - (a) an authorised person,
 - (b) in the case of a matter specified in an additional matters order, a person who may undertake the matter under the order, or
 - (c) the Archdeacon.
- (3) The Vicar General will determine the question without a hearing on consideration of such written representations (if any) as the Vicar General thinks fit unless the Vicar General orders that the question be determined at a hearing.

PART 4

Advice before starting faculty proceedings

4.1 Process for obtaining advice – outline

- (1) Before starting proceedings in the consistory court in respect of works or other proposals, intending applicants should—
 - (a) consult the DAC on the works or proposals, and
 - (b) once the provisions of this part, so far as applicable, have been complied with, obtain from the DAC a notification of advice in Form 2.
- (2) Consultation under this Part is not required if—
 - (a) proceedings relate exclusively to exhumation, or

- (b) proceedings are sufficiently urgent to justify the grant of a faculty, the issue of an injunction or the making of a restoration order without carrying out consultation under this Part; or
- (3) This Part does not apply where works or other proposals relate only to matters which may be undertaken without a faculty in accordance with Part 3 and Schedule 1 (Lists A and B).

4.2 Documents etc. to be submitted to DAC

- (1) Intending applicants must submit the following to the DAC when consulting it on works or proposals—
 - (a) the standard information in Form 1 (but see paragraph (3)); and
 - (b) a summary of the works or other proposals being consulted on.
- (2) Intending applicants must submit the following to the DAC when proposals reach the stage at which they are available—
 - (a) any relevant designs, plans or photographs;
 - (b) any advice or other material relating to the environmental implications of the works or proposals including, in the case of matters to which net zero guidance applies, an explanation of how the intending applicants, in formulating the proposals, have had due regard to that guidance;
 - (ba) where proposals involve the movement, removal or alteration of a statue, plaque, memorial, monument or other article because it commemorates a person or body of persons involved in slavery or the slave trade, an explanation of how the intending applicants, in formulating the proposals, have had due regard to guidance relating to such articles and issued by the Church Buildings Council in England under section 55 of the Dioceses, Pastoral and Mission Measure 2007;
 - (c) any other documents giving particulars of the works or proposals; and
 - (d) any relevant correspondence with the Department of Environment, Food and Agriculture.
- (3) If the intending applicants have previously submitted the standard information required by paragraph (1)(a) to the DAC they need not do so again unless the information that was previously submitted has changed.

4.3 Initial advice from DAC

- (1) When the DAC is consulted under rule 4.1(1)(a) it must consider whether it should give the intending applicants initial advice to assist them in relation to the works or proposals and, if not, whether it should proceed to give its final advice in accordance with rule 4.6 (notification of advice).
- (2) In considering whether it should give the intending applicants initial advice the DAC must, in particular, consider whether rule 4.4 (statements of significance and needs) applies.
- (3) If the DAC considers that rule 4.4 applies, it must ask the intending applicants to provide it with statements of significance and needs if they have not already done so.

4.4 Proposals involving changes to registered buildings: statements of significance and needs

- (1) Where proposals involve making changes to a registered building intending applicants must provide the DAC with—

- (a) a document which describes—
 - (i) the significance of the building in terms of its special architectural and historic interest (including any contribution made by its setting), and
 - (ii) any significant features of artistic or archaeological interest that the building has so as to enable the potential impact of the proposals on its significance, and on any such features, to be understood (a "statement of significance"); and
 - (b) a document setting out the justification for the proposals (a "statement of needs").
- (2) If proposals are likely to result in harm to the significance of the building as a building of special architectural or historic interest, the document setting out the justification for the proposals must set out the basis on which it is said that the proposals would result in public benefit that outweighs that harm.

4.5 Notification of material changes made in response to consultation or otherwise

If intending applicants make material changes to works or other proposals (whether in response to consultation or otherwise), they must supply details of the changes made to the DAC.

4.6 Notification of advice

- (1) The DAC must not give its final advice unless it is satisfied—
 - (a) that the preceding provisions of this part, so far as applicable, have been complied with; and
 - (b) it has all the information it needs in order to give its final advice.
- (2) The DAC must give its final advice in a notification of advice in Form 2.
- (3) The notification of advice must describe the works or proposals in the manner in which the DAC recommends that they should be described in the schedule of works or proposals in the application (see rule 5.4(1)) and in the public notice (see rule 6.2(2)(a)).
- (4) The notification of advice must state whether the DAC—
 - (a) recommends the works or proposals for approval by the court;
 - (b) does not recommend the works or proposals for approval by the court; or
 - (c) does not object to the works or proposals being approved by the court.
- (5) If the notification of advice recommends the works or proposals for approval by the court it must include a statement that the advice does not constitute authority for carrying out the works or other proposals and that a faculty is required.
- (6) If the notification of advice does not recommend the works or proposals for approval by the court it must include—
 - (a) the DAC's principal reasons for giving that advice; and
 - (b) a statement that despite the DAC's advice, the intending applicants may, if they wish, apply to the court for a faculty authorising the works or other proposals.
- (7A) In the case of works or proposals involving matters to which net zero guidance applies, the DAC's advice must include a statement of—
 - (a) whether, in its opinion, the explanation under rule 4.2(2)(b) is adequate, and
 - (b) if its opinion is that the explanation is not adequate, its reasons for that opinion.

- (7B) In the case of works or proposals involving the movement, removal or alteration of a statue, plaque, memorial, monument or other article because it commemorates a person or body of persons involved in slavery or the slave trade, the DAC's advice must include a statement of—
- (a) whether, in its opinion, the explanation under rule 4.2(2)(ba) is adequate, and
 - (b) if its opinion is that the explanation is not adequate, its reasons for that opinion.
- (7) If the notification of advice does not object to the works or proposals being approved by the court—
- (a) the DAC must consider whether to include its principal reasons for giving that advice; and
 - (b) the notification of advice must include a statement that the advice does not constitute authority for carrying out the works or other proposals and that a faculty is required.
- (8) In the case of works or proposals in respect of which an injunction or restoration order is to be sought,
- (a) the DAC's advice must be given in the form of a report or letter (instead of Form 2);
 - (b) paragraphs (2) to (7) do not apply.

4.7 Interim faculties and interim injunctions and restoration orders

This Part is without prejudice to the court's power at any time to grant an interim faculty under Part 15 or an interim injunction or restoration order under rule 16.6.

PART 5

Faculty proceedings — parties and commencement

5.1 Parties to proceedings

- (1) The parties to faculty proceedings are —
- (a) the applicant (or applicants);
 - (b) any party opponent; and
 - (c) any person added as a party by the court by way of special citation.
- (2) Rule 5.2 explains how to start faculty proceedings.
- (3) Rules 9.5 and 10.4 make provision for a person to become a party opponent.

6.6 Exhumation, reservation of grave space and other special cases

- (1) Paragraph (2) applies where —

- (4) In any other case of an application that relates exclusively to exhumation, the Vicar General may dispense with the giving of public notice and may direct that any of the persons referred to in paragraph (3) who are not applicants be given special notice.

6.7 Emergencies etc. — dispensing with giving of public notice

- (1) An order may be made under this rule in any case where the Vicar General is satisfied —

 - (b) that other factors mean that it would not be expedient to require the giving of public notice under those rules.
- (2) An order made under this rule may —

- (4) This rule is without prejudice to the court's power at any time to grant an interim faculty under Part 15 or an interim injunction or interim restoration order under rule 16.6.

7.3 Reasons for grant of faculty or dismissal of application

- (1) Where an unopposed application gives rise to a question of law or of doctrine, ritual or ceremonial or relates to proposals that affect the legal rights of any person or body, and the Vicar General decrees the grant of a faculty but does not give judgment in court or hand down a written judgment, the Vicar General must record in summary form the reasons for granting the faculty.
- (2) Where a faculty is granted in opposed proceedings or where in any proceedings an application is dismissed (in whole or in part) the Vicar General must give a judgment in court or hand down a written judgment which contains the reasons for the grant or dismissal.

- (9) The period specified in the licence may not be extended by the Archdeacon.
- (10) If an application for a faculty in respect of the scheme authorised by the licence is submitted to the court not less than 2 months before the expiry of the period specified in the licence, the scheme is deemed to continue to be authorised by the licence until the application is determined by the court.

8.3 Steps to be taken on expiry of licence for temporary minor re-ordering

- (1) On the expiry of the period specified in a licence given under rule 8.2 —
 - (a) the Archdeacon must send the minister a copy of Form 10 (which asks the minister to state whether a faculty has been applied for in respect of the scheme of temporary minor re-ordering and, if not, whether the position has been restored to that which existed before the scheme was implemented); and
 - (b) the minister must complete Form 10 and return it to the Archdeacon within 14 days of receiving it.
- (2) If on the expiry of the period specified in the licence the parish does not have a minister, paragraph (1) is to apply as if the references to the minister were references to the churchwardens of the parish.
- (3) Save to the extent that it has been authorised by faculty, when a scheme of temporary minor re-ordering ceases to be authorised under rule 8.2 the Archdeacon must take steps to ensure that the position is restored to that which existed before the scheme was implemented.

Where a matter to which net zero guidance applies is included in List B, the proposal sent to the Archdeacon must include an explanation of how the applicants, in formulating the proposal, have had due regard to that guidance.

Notes

To the applicant(s):

The witness statement that accompanies this application must be verified by a statement of truth in the following form —

"I believe that the fact stated in this witness statement are true."

This application is made by submitting this form with the witness statement to the Diocesan Registry. The application is issued by the Registrar who will enter details of the place and date of hearing in the relevant place in the form.

Unless the court orders otherwise, the application and witness statement must be served by the applicant on the following not less than two clear days before the date of hearing—

- the person against whom the injunction or restoration order is being sought;
- where faculty proceedings have been started, on each of the parties to the proceedings;
- the Archdeacon (unless the archdeacon is the applicant); and
- the minister (unless the minister is the applicant) or, where there is no minister, the churchwardens (unless they are the applicants).

Once the applicant has served each of the above persons, the applicant must submit to the Registry a certificate of service complying with rule 16.3(5) of the Faculty Jurisdiction Rules (Isle of Man) 2016.

NB The Court may make a restoration order only if it is satisfied that the proceedings for the order were brought no later than six years after the relevant act was committed. In proceedings brought by the Archdeacon, if a relevant fact has been deliberately concealed from him or her, the period of six years does not begin to run until the time when the Archdeacon discovered the concealment or could with reasonable diligence have discovered it.

To the person against whom the injunction or restoration order is being sought:

If you intend to instruct an advocate to act for you, you should provide the advocate with a copy of this document immediately.

If you do not attend the hearing at the time and place shown the court may make an injunction or restoration order and order costs against you in your absence. If you have any questions about the hearing you should contact the Diocesan Registry (details above).

EXPLANATORY NOTE

(This note is not part of the Rules.)

These Rules are made under sections the Care of Churches and Ecclesiastical Jurisdiction Measure 1991, as it has effect in the Isle of Man. They replace the Faculty Jurisdiction Rules (Isle of Man) 2010 (SD 330/10) and the Faculty Jurisdiction (Injunctions and Restoration Orders) Rules (Isle of Man) 2012 (SD 306/12), which are revoked subject to transitional provisions in rule 22.3.

The Rules regulate the procedure and practice of the consistory court in relation to the faculty jurisdiction and the jurisdiction of the consistory court to issue injunctions and make restoration orders. In addition, Part 3 and Schedule 1 make provision for certain matters within the jurisdiction of the consistory court to be undertaken without a faculty, subject to conditions, and Part 21 applies to appeals from the consistory court the relevant provisions of the Faculty Jurisdiction Rules 2015 (SI 2015/1568) which have effect in England.
